

Ultimate Sleep Hacks

Put your phone down 2 hrs before bed. You'll thank us tomorrow, we promise.

Bust out the aromatherapy. And breathe in and out the zen vibes.

Use a weighted blanket. It's like getting tucked in with a giant hug.

Sleeping masks are equal parts fashionable and functionable.

Try a white noise machine or sleep meditation to knock out in an instant.

Turn the TV off. That next episode will be just as good in the morning.

Get in the nighttime flow with some restorative yoga.

Save the intense workouts for earlier in the day. That adrenaline rush won't help you sleep.

The Sweet Cheat Gone Marcel Proust, 2018-12-14 Mademoiselle Albertine has gone How much farther does anguish penetrate in psychology than psychology itself A moment ago as I lay analysing my feelings I had supposed that this separation without a final meeting was precisely what I wished and as I compared the mediocrity of the pleasures that Albertine afforded me with the richness of the desires which she prevented me from realising had felt that I was being subtle had concluded that I did not wish to see her again that I no longer loved her But now these words Mademoiselle Albertine has gone had expressed themselves in my heart in the form of an anguish so keen that I would not be able to endure it for any length of time And so what I had supposed to mean nothing to me was the only thing in my whole life How ignorant we are of ourselves The first thing to be done was to make my anguish cease at once Tender towards myself as my mother had been towards my dying grandmother I said to myself with that anxiety which we feel to prevent a person whom we love from suffering Be patient for just a moment we shall find something to take the pain away don't fret we are not going to allow you to suffer like this
