Oro, 2023-01-01 President Pyromaniac's new executive order allows all of the books and print material to burn while being rewritten by the Department of Tomecide. When the books burn, then the alternative facts will take over the country and the government will rewrite the past. The government controlled internet, the fake media, and horrible social media influencers tell citizens what to think. Online learning replaces public education as the government bans teachers unions and destroys schools. The party of President Pyromaniac, called Government of the Racist G O P Party, now controls all three branches of the federal government. The Government of the Racist G O P Party has two thirds of the state's legislatures behind them thanks to Russian President Vladimir Vladimirovich Putin. President Pyromaniac creates a new federal holiday called Vladimir Putin Decides Day that is celebrated every second Tuesday in November to thank his best friend for his help in the 2016 Presidential Election. A cast of characters must now deal with their new reality. Irmina finds the behavior of two of the members of her book club suspicious. Aurelio has a plan to defeat the boss of his hacker group and get the rest of the members to stop looking for the nuclear codes. Hadleigh meets a mysterious hitchhiker whose story does not add up as they travel across the country. Kylen runs into trouble as he goes to a dangerous neighborhood to conduct a book burning ceremony with his friends. Halle must decide whether to move in with her daughter or move out of the country to follow her dream. Jana does not want to believe that her husband is telling her the truth about her teaching job. Emmalee's life is finally starting to go her way until a friend offers her a new challenge that can upset her life. Arely is given an opportunity to help out her country by developing a fake flu vaccine in Taiwan to destroy China and allow its annexation. Novalie must deal with her odd family and their lack of support for her passion in life.
