We Are Watching Alison Gaylin,2025-01-28 Gaylin s clean prose and controlled narrative voice bring an all too realistic chill it might also bring to mind the paranoiac claustrophobia of Rosemary s Baby New York Times From USA Today bestselling and Edgar and Shamus Award winning author Alison Gaylin comes a riveting tale of psychological suspense and family bonds in which a mother and daughter are desperate to protect one another as they become targets of a group of violent conspiracy theorists Sometimes the world is out to get you Meg Russo was behind the wheel when it happened She and her husband Justin were driving their daughter Lily to Ithaca College the family celebrating the eighteen year old music prodigy s future Then a car swerved up beside them the young men inside it behaving bizarrely and Meg lost control of her own vehicle The family road trip turned into a tragedy Justin didn t survive the accident Four months later Meg works to distract herself from her grief and guilt reopening her small local bookstore But soon after she returns to work bizarre messages and visitors begin to arrive with strangers threatening Meg and Lily in increasingly terrifying ways They are obsessed with a young adult novel titled The Prophecy which was published thirty years earlier An online group of believers are convinced that it heralds the apocalypse and social media posts link the book and Meg s reclusive musician father to Satanism These conspiracy theorists vow to seek revenge on The Prophecy s author Meg As the threats turn violent Meg begins to suspect that Justin s death may not have been an accident To find answers and save her daughter her father and herself Meg must get to the root of these dangerous lies and find a way to face the believers head on before it s too late

Nothing But Net: 10 Timeless Stock-Picking Lessons from One of Wall Street's Top Tech Analysts Mark Mahaney,2021-11-09 Find the winners avoid the losers and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney The Tech industry is the stock market s hottest most profitable sector but it can be a roller coaster ride Companies with great ideas can end up going nowhere and some that dominate today will be sold at fire sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what s really hot to know what s not and to outperform other investors

consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he s learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I ve watched the rise of some of the leading companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes F iguring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come

The Creativity Choice Dr. Zorana Ivcevic Pringle,2025-05-06 A groundbreaking Marc Brackett correction to the myth that creativity is a trait that you re born with instead a Yale scientist proves creativity is a decision that you make again and again Anyone who has ever participated in a brainstorming session will know that most of us do not lack ideas Yet many people never breathe life into these ideas To turn inspiration into real achievement you must decide to act and then decide to act again and again despite obstacles until your thoughts take shape and come to life This is what psychologist Zorana Ivcevic Pringle calls the creativity choice Drawing on decades of research into the science of creativity The Creativity Choice teaches readers how to bring ideas out of your mind and into the world With stories ranging from an entrepreneur who built a national nonprofit to a YouTuber who turned a hobby into a professional career to a business leader who established a company culture of innovation Pringle illuminates how people make creative ideas happen She shows what it takes to get started the psychological and emotional tools needed to navigate the creative process and the social conditions that allow creativity to succeed Through this book you ll learn how to bridge the gap between having the first spark of an idea and actually doing something with it

Regulating Gig Work Joellen Riley Munton,Michael Rawling,2023-12-12 Digital revolution demands new approaches to regulating work The Uberisation of work is not in reality a new phenomenon It reintroduces the practices of on demand engagement of labour common prior to the development of continuing employment What is new however is the capacity of digital technology to engage labour in ways that avoid characterisation as employment according to the legal tests developed in the 20th century This book tackles the challenge of ensuring that the emerging tribes of gig workers in labour markets across the globe are afforded decent standards of work This book discusses how to provide decent conditions and safe working standards for on demand workers engaged through digital platforms It interrogates the rise of gig work and the legal strategies that might be engaged to deal with the risk that on demand work will fall and remain outside of employment protections It draws on observations of practices across the globe but focusses particularly on regulatory solutions developed in Australia The book will be a useful reference to policy making and legal
