**Privileged Victims** Eddie Scarry, 2020-02-25 America s worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America s most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and

xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly

**Slender Man Is Coming** Trevor J. Blank, Lynne S. McNeill, 2018-09-21 The essays in this volume explore the menacing figure of Slender Man the blank faced long limbed bogeyman born of a 2009 Photoshop contest who has appeared in countless horror stories circulated on and offline among children and young people Slender Man is arguably the best known example in circulation of creepypasta a genre derived from cospypasta which in turn derived from the phrase copy paste As narrative texts are copied across online forums they undergo modification annotation and reinterpretation by new posters in a folkloric process of repetition and variation Though by definition legends deal largely with belief and possibility the crowdsourced mythos behind creepypasta and Slender Man suggests a distinct awareness of fabrication Slender Man is therefore a new kind of creation one intentionally created as a fiction but with the look and feel of legend Slender Man Is Coming offers an unprecedented folkloristic take on Slender Man analyzing him within the framework of contemporary legend studies creepypastas folk belief and children s culture This first folkloric examination of the phenomenon of Slender Man is a must read for anyone interested in folklore horror urban legends new media or digital cultures Contributors Timothy H Evans Andrea Kitta Mikel J Koven Paul Manning Andrew Peck Jeffrey A Tolbert Elizabeth Tucker
