To Whom It May Concern,

I am writing to inform you about the workplace injury sustained by Jane Smith on December 9, 2050, during her employment with **[Your Company Name]**. Following the incident, Jane sought immediate medical attention and has been under my care for the treatment of her injury.

Jane Smith was examined and diagnosed with a sprained ankle, which requires rest, ice, compression, and elevation. The injury was sustained while she was lifting a heavy box in the warehouse, and the current prognosis indicates that she will require physical therapy and follow-up appointments for the next two weeks. I have advised Jane to take time off work and refrain from standing for long periods or performing physically demanding tasks to ensure proper healing.
