Promotional Screen Industries Paul Grainge, Catherine Johnson, 2015-03-27 From the trailers and promos that surround film and television to the ads and brand videos that are sought out and shared promotional media have become a central part of contemporary screen life *Promotional Screen Industries* is the first book to explore the sector responsible for this thriving area of media production In a wide ranging analysis Paul Grainge and Catherine Johnson explore the intermediaries advertising agencies television promotion specialists movie trailer houses digital design companies that compete and collaborate in the fluid fast moving world of promotional screen work Through interview based fieldwork with companies and practitioners based in the UK US and China *Promotional Screen Industries* encourages us to see promotion as a professional and creative discipline with its own opportunities and challenges Outlining how shifts in the digital media environment have unsettled the boundaries of promotion and content the authors provide new insight into the sector work strategies and imaginaries of contemporary screen promotion With case studies on mobile communication television film and live events this timely book offers a compelling examination of the industrial configurations and media forms such as ads apps promos trailers digital shorts branded entertainment and experiential media that define promotional screen culture at the beginning of the twenty first century

Bizarre Film Promotions Zuri Deepwater, 2025-03-29 *Bizarre Film Promotions* explores the fascinating world of movie marketing dissecting both successful and disastrous campaigns to understand what makes them tick The book emphasizes that while creativity is key in the competitive entertainment market a deep understanding of the target audience and a careful assessment of risk are crucial for effective film promotion One intriguing fact explored is how some campaigns despite their unconventional nature resonated deeply with audiences leading to unexpected box office success Another insight reveals how certain promotional strategies though innovative backfired due to cultural insensitivity or misjudged audience expectations The book's approach is built on three pillars creative campaign development risk assessment and post campaign analysis It examines various case studies from different eras and genres to provide actionable insights The book begins by introducing foundational marketing principles and tracing the evolution of film promotion Subsequent sections meticulously analyze case studies grouped thematically by strategic approach and outcome The book concludes by synthesizing findings and offering practical guidelines for industry professionals highlighting the importance of audience research and ethical considerations in the realms of management film and business

Launch! Advertising and Promotion in Real Time Michael Solomon, 2009 *Launch Advertising and Promotion* is written for advertising and promotion courses taught to students in the business school and journalism mass communication students This textbook is the first of its kind to teach advertising concepts by reverse engineering a real advertising campaign from beginning to end In April 2007 SS K an innovative New York City communications agency launched the first ever branding campaign for msnbc com with the tag A Fuller Spectrum of News Launch follows that campaign from initial agency pitch through roll out of print and media

assets to post campaign analysis Throughout it exposes readers to the theory and concepts of advertising and promotion and the personalities and decisions that drove this campaign The book takes a rare look behind the curtain even letting you see some of the paths not chosen by the agency and client Students get a realistic sense of how theory plays out in practice and get a flavor for the exciting field of advertising and promotion And they consistently learn the perspectives of both the advertising agency where many journalism and communications students will work and the client where many marketing majors will work This is a unique book with a unique perspective by a unique author team and you won't find this kind of insight in any other text on the market We think you're going to love it This textbook has been used in classes at Ball State University Emerson College Florida Institute of Technology Grand Valley State University Johnson County Community College Manchester Business School McLennan Community College Michigan State University North Hennepin Community College Pierce College Rochester Institute of Technology Saint Louis University Salem State College South Dakota State University Texas State University Texas Tech University University of New Hampshire University of North Carolina University of Notre Dame University of South Florida Virginia Tech Western Kentucky University Oscar Bait Robert Boucaut, 2025-09-22 The Academy Awards or the Oscars have held a unique position in defining and enacting prestige for film industries and their publics In evaluating the best of film they wield cultural influence over such cinema practices as consumption and evaluation filmmaking aesthetics and narratives and the discursive activity of Hollywood's industrial agents and audiences Oscar Bait The Academy Awards Cultural Prestige offers a comprehensive insight into how a film or star positions one's self as a viable competitor worthy of such consecration in new media contexts Based over three years of Oscars seasons 2019-2021 rigorous analysis of film texts awards telecasts and circulating discursive media is built through an original scholarly framework for understanding modern cultural awards Oscar Bait recontextualises the Oscars complex legacy into a new media ecosystem one in which their established value is undercut by declining broadcast viewership the changing values and demands of global film publics and influential discourses aiming to progress popular culture beyond its problematic histories In this new paradigm of film production and consumption Boucaut explores what the Oscars mean in a contemporary filmmaking landscape and what impacts established stereotypes of Oscar worthiness the colloquial Oscar Bait continue to hold over the awards Oscar Bait captures a dynamic snapshot of the Oscars and Hollywood in a critical era It advances popular culture scholarship by developing an analytical framework for understanding disparate media texts within an awards season and it critically updates Oscars knowledges for modern contexts Readers interested in media and cultural studies celebrity studies persona studies popular culture and film will enjoy this book **Web 2.0** Berthold H.
