Iron in the Blood Jay Busbee, 2025-08-26 The story of college football in Alabama is the story of the South itself This behind the scenes account of the Alabama vs Auburn rivalry one of the fiercest in American sports details its rich history celebrates the triumphs of both teams and showcases the larger than life power of football to break down barriers and shape an entire culture For Alabama and Auburn football isn't life It's much more important than that Their rivalry is a multigenerational one fueled by rage and redemption and they clash every autumn with ferocity and defiance But the shockwaves of their feud have transcended the football field entering into politics advancing civil rights energizing millions and opening up eyes and hearts in a way even religion never could Yahoo Sports senior writer Jay Busbee traces the perpetual impact of football in Alabama from the days of Reconstruction through the Civil Rights era to the hyper partisan climate of the 2020s From Bear to Bo from Cam to Nick from Toomer's Corner to Denny Chimes *Iron in the Blood* revels in the victories of both schools and dives deep into the iconic figures connected with both programs *Iron in the Blood* is an up close look at one of America's most colorful sports rivalries but it's also a glimpse into the joy and agony of being a die hard football fan It's the dramatic history of how football has defined a state inside and outside its stadiums And it's the story of how Alabama understands that football is both a magnificent way to celebrate its brightest days and a welcome path to climb out of its darkest ones
