Colleges Worth Your Money Andrew Belasco, Dave Bergman, Michael Trivette, 2024-06-01 *Colleges Worth Your Money* A Guide to What America's Top Schools Can Do for You is an invaluable guide for students making the crucial decision of where to attend college when our thinking about higher education is radically changing. At a time when costs are soaring and competition for admission is higher than ever, the college-bound need to know how prospective schools will benefit them both as students and after graduation. *Colleges Worth Your Money* provides the most up-to-date accurate and comprehensive information for gauging the ROI of America's top schools, including in-depth profiles of 200 of the top colleges and universities across the U.S. Over 75 key statistics about each school that cover unique admissions-related data points such as gender-specific acceptance rates, early decision acceptance rates, and five-year admissions trends at each college. The solid facts on career outcomes, including the school's connections with recruiters, the rate of employment post-graduation, where students land internships, the companies most likely to hire students from a particular school, and much more. Data and commentary on each college's merit and need-based aid awards, average student debt, and starting salary outcomes. **Top Colleges for America's Top Majors** lists highlighting schools that have the best programs in 40 disciplines. **Lists of the Top Feeder undergraduate colleges into medical school, law school, tech, journalism, Wall Street, engineering, and more.** *Head's Broadcasting in America* Michael McGregor, Paul D. Driscoll, Walter McDowell, 2016-01-08 This book documents the dramatic changes in the field of electronic media in the past decade and provides informed insights in the exciting and changes yet to come. It examines the transition in broadcasting from analog to digital transmission and the changing business models of electronic media. **Budgeting For Dummies** Athena Valentine Lent, 2023-05-09 Build a budget that puts you on solid financial footing. Ask any financially successful person how they achieved their goals and chances are they'll tell you it all started with a budget. And that's exactly where you should start. *Budgeting For Dummies* shows you how to create a plan that fits your lifestyle, manages everyday needs, and builds your savings. Author Athena Valentine, founder of the Money Smart Latina blog, offers step-by-step details for creating and following a budget without feeling like you're depriving yourself and your family of all the things that make life worth living. This book shows you how to figure out where your money comes from and where it goes so you can live the life you want and work toward your financial goals. Find out how to establish an emergency fund, eliminate debt, improve your credit score, and stick to your budget through economic ups and downs. Discover budgeting methods that work so you can live within your means. Create a budget for your unique situation to get a handle on your income and expenses. Deal with common budgeting challenges without taking on more debt. Increase your credit score and save toward a major purchase. You don't need to make six figures to achieve your financial goals. Valentine, who also writes for Slate.com, knows the struggle of trying to make ends meet and is enthusiastic about sharing her knowledge with anyone who wants to improve their financial literacy.
