reformers were an elite group of egghead economists who got to put their wild theories into action with results that were sometimes inspiring sometimes devastating With unparalleled access and acute insight Chrystia Freeland takes us behind the scenes and shows us how these two groups misused a historic opportunity to build a new Russia Their achievements were considerable but their mistakes will deform Russian society for generations to come Along with a gripping account of the incredible events in Russia s corridors of power Freeland gives us a vivid sense of the buzz and hustle of the new Russia and inside stories of the businesses that have beaten the odds and become successful and profitable She also exposes the conflicts and compromises that developed when red directors of old Soviet firms and factories yielded to or fought the radically new ways of doing business She delves into the loophole economy where anyone who knows how to manipulate the new rules can make a fast buck *Sale of the Century* is a fascinating fly on the wall economic thriller an astonishing and essential account of who really controls Russia s new frontier     **Merchants Trade Journal** ,1950     American Aviation ,1951 Issues for include Annual air transport progress issue     **Automotive Executive** ,1991     *Sales Management* ,1953     *Monthly Journal of Insurance Economics* ,1929     *Printers' Ink* ,1922     **The Milk Dealer** ,1951     Miracle Sales Guide Mark Jones,James Healey,1973     *Partridge's cheap [afterw.] new 'Pansy' series* Partridge S.W. and co,1890
