Hindu nationalists claimed that vegetarianism would cleanse the body for anticolonial resistance and an increasingly militant cow protection movement mobilized against meat eaters particularly Muslims Unearthing the connections among these developments and many others Julia Hauser explores the global history of vegetarianism from the mid nineteenth century to the early Cold War She traces personal networks and exchanges of knowledge spanning Europe the United States and South Asia highlighting mutual influence as well as the disconnects of cross cultural encounters Hauser argues that vegetarianism in this period was motivated by expansive visions of moral physical and even racial purification Adherents were convinced that society could be changed by transforming the body of the individual Hauser demonstrates that vegetarians in India and the West shared notions of purity which drew some toward not only internationalism and anticolonialism but also racism nationalism and violence Finding preoccupations with race and masculinity as well as links to colonialism and eugenics she reveals the implication of vegetarian movements in exclusionary hierarchical projects Deeply researched and compellingly argued *A Taste for Purity* rewrites the history of vegetarianism on a global scale **Billboard** ,2000-01-08 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Predicting Your Future through Astrology** Singh Sita Ram, Everybody wants to know his future and to know it correctly here is a book for you After elucidating the fundamental principles of Astrology the treatise has discussed the horoscopes of well known personalities Mahatma Gandhi Rabindra Nath Tagore Jawahar Lal Nehru S Radhakrishnan Indira Gandhi Shirdi Sai Baba Swami Vivekananda Ratan Tata Kumar Mangalam Birla Bill Gates B V Raman Count Louis Hamon Cheiro and many more If you want to know your future then this is the book for you [The Gale Encyclopedia of Alternative Medicine](#) Kristine M.
