Miss Match Wendy Toliver,2009-02-10 Sasha Finnegan has always had a knack for setting people up and at sixteen she s turned her talent into an online business molding high school crushes into true love But Sasha finds her toughest match yet when hottie Derek Urban asks her to set him up with Sasha s gorgeous sister Maddie It s not that Derek isn t a good catch In fact after spending so much time with him Sasha can t help but think he s perfect for her that is Can Sasha push her feelings aside for the sake of her business Or has this miss finally found her match **The Old Man from Leftfield** Neil

McKee,2014-10-17 When I was a kid in the late 1950s while I was a student at Paoli Elementary School I read the famous children s book that talks about the Kid from Leftfield Also around that time I always said to myself What is it going to be like in the year 2000 I ll be fifty years old I couldn t comprehend being that old the thought of it scared me and I d probably be in a wheelchair or something worse I bet a lot of people my age thought the same thing This is the story of what that kid did when he reached the age of fifty **The Psychological Science of Money** Erik Bijleveld,Henk Aarts,2014-07-10 Money The

root of all evil Arguably Essential to our lives Certainly A main driver of human thought emotion and action Absolutely and psychology and its related fields are getting closer to understanding its complex role in human behavior and in society The Psychological Science of Money brings together classic and current findings on the myriad ways money affects brain mind and behavior to satisfy not only our needs for material gain but also for autonomy and self worth Leading experts trace the links between early concepts of value and modern symbolic meanings of wealth in addition to identifying the areas of the human brain that together act as its financial center This cross disciplinary analysis helps clarify the neuroscience behind pathological gambling the critical role of time in financial decisions and the impact of money on diverse personal activities and interpersonal relationships Included in the coverage Materiality symbol and complexity in the anthropology of money The relative and absolute subjective value of money Conscious and unconscious influences of money two sides of the same coin A life course approach to dealing with monetary gains and losses Motivation and cognitive control beyond monetary incentives An integrative perspective on the science of getting paid The psychological science of spending The unique role of money in society makes The Psychological Science of Money a singularly fascinating resource with a wide audience among social psychologists industrial and organizational psychologists economists sociologists anthropologists and public policymakers
