Queens Cubby:

The Kingdom Queen J.T. Page Jr.,2017-10-30 Two young American tourists Carmen and Cubby arrive at a mysterious church in present day Austria They meet Otto their tour guide who leads them to the Silver Chapel There he weaves an enchanting story involving knights intrigue and true love Otto takes their imaginations on a journey to twelfth century Europe during the High Middle Ages a decade after the end of the First Crusade Princess Margarethe and Theo first meet as children when her father King Johann grants knighthood to Sir Josef Theos father The children are immediately drawn to each other despite the difference in social class When Theos parents are tragically killed Margarethe swears to love him foreverbut is that true Can their love survive even though they are destined to never marry Carmen and Cubby have countless questions as the story unfolds but Otto is always happy to explain and instruct He tells tales of war marriage birth death and chivalry as Margarethe and Theo are constantly kept apart Assassins abound cultures collide and the Knights Templar make their presence felt in sometimes surprising ways Margarethe and Theo vow eternal loyalty no matter the sacrifice But will they get their happy ending or remain resigned to the duties of differing stations Welcome to the new and timeless story of The Kingdom Queen

Some Kind of Hero Matthew Field,Ajay Chowdhury,2015-10-12 For over 50 years Albert R Broccoli s Eon Productions has navigated the ups and downs of the volatile British film industry enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series Latterly this family run business has been crowned with box office gold and recognised by motion picture academies around the world However it has not always been plain sailing Changing financial regimes forced 007 to relocate to France and Mexico changing fashions and politics led to box office disappointments and changing studio regimes and business disputes all but killed the franchise And the rise of competing action heroes has constantly questioned Bond s place in popular culture But against all odds the filmmakers continue to wring new life from the series and 2012 s Skyfall saw both huge critical and commercial success crowning 007 as the undisputed king of the action genre Some Kind of Hero recounts this remarkable story from its origins in the early 60s right through to the present day and draws on hundreds of unpublished interviews with the cast and crew of this iconic series
