Gender and Research: Men's studies, queer theory, polyvocality Sara Delamont,Paul Atkinson,2008 For the past thirty years there have been vigorous debates about the roles played by gender sexuality and sexual orientation in research This collection brings together the debates together set them into their historical and theoretical context and deal with the major criticisms and refutations A particular strength of this collection is that it will available a key sources otherwise scattered and hard to obtain Volume I discusses three sub themes the context in which gender became a matter of concern for researchers the context in which feminist methods were developed and the re discovery of the methodological work of well known women such as Jane

Addams and Florence Nightingale Volume II looks at research that has been conducted with explicit awareness of gender Volume III focuses on the pioneering work of innovative scholars who argued for feminist methods in the years after 1950 It then goes on to investigate research that defended and debated the formulations of feminist methods Finally volume IV explicitly relates the themes of Queer Theory Subaltern Theory and Polyvocality themes that evolved with feminist methods to those topics showcased in the other three volumes

Decolonizing the Sodomite Michael J. Horswell, 2005 Early Andean historiography reveals a subaltern history of indigenous gender and sexuality that saw masculinity and femininity not as essential absolutes Third gender ritualists Ipas mediated between the masculine and feminine spheres of culture in important ceremonies and were recorded in fragments of myths and transcribed oral accounts Ritual performance by cross dressed men symbolically created a third space of mediation that invoked the mythic androgyne of the pre Hispanic Andes The missionaries and civil authorities colonizing the Andes deemed these performances transgressive and sodomitical In this book Michael J Horswell examines alternative gender and sexuality in the colonial Andean world and uses the concept of the third gender to reconsider some fundamental paradigms of Andean culture By deconstructing what literary tropes of sexuality reveal about Andean pre Hispanic and colonial indigenous culture he provides an alternative history and interpretation of the much maligned aboriginal subjects the Spanish often referred to as sodomites Horswell traces the origin of the dominant tropes of masculinist sexuality from canonical medieval texts to early modern Spanish secular and moralist literature produced in the context of material persecution of effeminates and sodomites in Spain These values traveled to the Andes and were used as powerful rhetorical weapons in the struggle to justify the conquest of the Incas

Youth, Education, and Sexualities James Thomas Sears, 2005 Featuring more than 200 entries this work is an authoritative source for educators researchers and students seeking an understanding of lesbian gay bisexual and transgender LGBT youth This work examines policy practice and research concerning youth who are often the victims of bullying and harassment
