Mike Proulx, Stacey Shepatin

Streaming Top Shows Deal:

Social TV Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV* Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

Social TV Mike Proulx, Stacey Shepatin, 2012-01-26 The Internet didn't kill TV It has become its best friend Americans are watching more television than ever before and we're engaging online at the same time we're tuning in Social media has created a new and powerful backchannel fueling the renaissance of live broadcasts Mobile and tablet devices allow us to watch and experience television whenever and wherever we want And connected TVs blend web and television content into a unified big screen experience bringing us back into our living rooms Social TV examines the changing and complex television landscape and helps brands navigate its many emerging and exciting marketing and advertising opportunities Social TV topics include Leveraging the second screen to drive synched and deeper brand engagement Using social ratings analytics tools to find and target lean forward audiences Aligning brand messaging to content as it travels time shifted across devices Determining the best strategy to approach marketing via connected TVs Employing addressable TV advertising to maximize content relevancy Testing and learning from the most cutting edge emerging TV innovations The rise of one technology doesn't always mean the end of another Discover how this convergence has created new marketing opportunities for your brand

Sports Media Rights in the Age of Streaming and Platformisation Tom Evens, Paul Smith, 2024-12-18 Against a backdrop of increased online distribution of media this book provides an in

depth analysis of how the platformisation of television is both shaping and being shaped by the changing sports media market Beginning by looking at the business models and strategies of the major stakeholders involved in the sports broadcasting value chain the authors go on to focus on the challenges and opportunities posed by the growth of OTT delivery for the regulation of sports broadcasting in several key areas including copyright law and piracy competition issues linked to the buying selling and distribution of premium sports content and legislation designed to safeguard coverage of certain national and international sporting events for free to air television Key areas of continuity such as the persistence of national regional markets the importance attached to premium sports rights by rival delivery platforms as a source of market power and the need to update key areas of policy and regulation in order to address challenges posed by the use of OTT delivery are also discussed This book makes use of a range of international and regional examples and case studies not least the Olympic Games and the FIFA World Cup and identifies different strategies employed in the buying selling and distribution of sports rights for all major parties in the sports media value chain including new entrant OTT players traditional pay TV operators public service broadcasters and a range of international sports organizations Providing a complete assessment of the relevance and future effectiveness of key areas of policy and regulation in sports media distribution this book is recommended reading for advanced students and researchers of Sports Media Sports Management and Media Industries
