McCabe, 1879 [Postmodern Ethics](#) Elizabeth Wren-Owens, 2009-05-05 Postmodern Ethics offers a new perspective on debates surrounding the role of the intellectual in Italian society and provides an original reading of two important Italian contemporary writers Leonardo Sciascia and Antonio Tabucchi It examines the ways in which the two writers use literature to engage with their socio political environment in a climate informed by the doubts and scepticism of postmodernism after traditional forms of impegno had been abandoned Postmodern Ethics explores ways in which Tabucchi and Sciascia further their engagement through embracing the very factors which problematized traditional committed writing such as the absence of fixed truths the inability of language to fully communicate ideas and intertextuality Postmodern Ethics provides an innovative new reading of Tabucchi s works It challenges the standard view in critical literature that his writing may be divided into engaged texts which dialogue with society and postmodern texts which focus

on literary interiority suggesting instead that socio political engagement underpins all of his works It also offers a new lens on Sciascia s writing unpacking why Sciascia unlike his contemporaries is able to maintain a belief in literature as a means of dialoguing with society Postmodern Ethics explores the ways in which Tabucchi and Sciascia approach issues of terrorism justice the anti mafia movement immigration and the value of reading in connected yet distinct ways suggesting that a close genealogy may be drawn between these two key intellectual figures Thundersleigh, Or, The Knight's Quest Alfred R.
