Quest For Lasting Love:

Unspoken Truths About Building Lasting Love Patrick Owens, In these pages you ll explore what makes love endure through life s ups and downs from the initial spark to the long term commitment I ll share personal stories and experiences that illustrate these truths providing you with both practical advice and a compassionate perspective on the journey of love Whether you re in a new relationship seeking to strengthen a long term bond or reflecting on past experiences this book offers insights that can transform how you approach and nurture lasting love I ve navigated my own path to understanding what makes love last encountering both triumphs and challenges along the way Through these experiences I ve discovered that the most profound truths about love are often those we don t talk about openly By addressing these unspoken truths I hope to offer you a clearer roadmap to building a love that endures and grows stronger with time *True and Lasting Love* Bernardo Leonard,2003 This is a must and essential book to have Le Meilleur the best There is power in the words and gestures of Bernardo It is impossible to read his work without being moved He pours himself out before you and in your own heart you experience immediate contact and warmth He transports you to a purer region from which dogmas and mysteries descend He loosened his words like arrows from the bow and his whole heart seems to fly with them The pathetic the profound the sublime are side by side with the simple and the ordinary What is most divine in the heart of a man cannot be expressed in writing Yet this writer did It has depth it convicts It causes one to re evaluate oneself Yet dira la verite est beate to tell the truth is beautiful Jean Paul Screenwrite Nice France A very thought provoking book to say the least As Bernardo Leonard points out with sometimes painful clarity there is no greater power on earth than love The merging of earthly Love and theological support of that Love is accomplished without undue and unnecessary presure to convert Instead the pressure exerted upon the reader is to think hence thought provoking As much as I tried to disagree with him on certain issues of forgiveness I knew in my heart that Bernardo was right We can fool some of the people some of the time fool all of the people all of the time but we can never fool ourselves at any time When you know the truth in your heart you know the truth Period To err is human to forgive is divine So much of humanity is so far removed from divine reading and digesting this book will bring them closer The reader can identify with each of Bernardo s Love filled and Love driven chapters because every human being is in search of ONE thing and only one thing LOVE Some run the race claiming it s money or fame they are after others claim this and still others claim that Every one of us understands that the reason we lives is to Love and be Loved Thank you Bernardo for putting these truths to paper Stan Brushwood Tucson Arizona *The Feel The Fear Guide To...
