*Rudolf Steiner* Arthur Pearce Shepherd, 1991      *Rudolf Steiner* A. P. Shepherd, 1987 This definitive biography of the founder of Anthroposophy provides insight into his life and work with new forms of medicine agriculture architecture and the Waldorf education system Steiner's Spiritual Science offers a powerful tool for self realization and a practical system for improving and mastering daily life      *Scientist of the Invisible* A. P. Shepherd, 1954      The Temple Sleep of the Rich Young Ruler Edward Reaugh Smith, 2011-11 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner's position stemmed from his insight that Lazarus's encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John's Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner's reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark's Gospel      *A Scientist of the Invisible* A.
