**The Orange Code** Arkadi Kuhlmann, Bruce Philp, 2008-11-03 How championing consumers led to ING Direct's revolutionary rise in the banking industry In an industry dominated by big banks with little patience for their customers ING Direct has always strived to be different a rebel with a cause if you will and in doing so they've become the most successful online banking venture in history The Orange Code recounts ING Direct's intriguing story explaining the philosophy of its founder Arkadi Kuhlmann who believes in the power of individuals to control their financial destiny and his long running partnership with Bruce Philp the branding consultant who helped him make ING Direct a cause to its own people and a household name across North America Discusses the unconventional approach to business strategy leadership and management that built ING Direct Written by the company's CEO Arkadi Kuhlmann the driving force behind this unique company and its approach and Bruce Philp the branding expert who has worked with some of the world's most well known and valuable brands Reveals how the cause of personal financial empowerment has made everyone a winner in the ING Direct story The level of success achieved by ING Direct holds some important lessons and offers some much needed inspiration to a business world that could use a little of both right now [The Dollar Code](#) Jason Hastie, 2015-03-03 Before you can control your finances save money and get out of debt you must first understand your spending habits Sounds simple right But for most people it is not because budgets are based on complicated monthly spending habits which can be overwhelming causing people to give up Now there's a different way that will revolutionize the way you look at personal finance In an incredibly easy comprehensible way The Dollar Code shows you how to break down spending in order to pay off debt and achieve financial freedom no matter how many other methods have failed you in the past Jason R Hastie's method is based on the principle of living within your means but what makes it different is that it gives you just one number to remember your own personal Daily Digit the amount of money you can freely spend each day without going into debt This one number is the key to financial freedom because it makes spending easy to understand and when you understand spending you can control it Who will benefit from reading and applying The Dollar Code Everyone who has ever identified with one or more of these statements I can't understand why I don't have enough money at the end of the week I've tried budgeting and failed because it was too complicated I feel out of control of my finances I get depressed about not having enough money I have too much debt and feel like the world is caving in I feel constantly bombarded by unexpected fees and expenses Not only does Hastie's Dollar Code put those statements to rest it also addresses a broad range of issues and scenarios that sometimes catch us off guard and if we're not careful throw us into a tailspin Hastie also tackles head on issues such as the benefits and pitfalls of credit cards emergency funds saving for the future and the fun bucket His handy twenty tips and worksheets at the back of the book make applying the dollar code even easier and once you unlock your code you'll understand why it is the one and only number you need to achieve financial freedom Really it's that simple and fun

*Sustainable Housing* Great Britain: Parliament: House of Commons: Environmental Audit Committee, 2006-03-30

Following on from a previous Committee report on sustainable housing issues HCP 135 I session 2004 05 ISBN 0215021517 published in January 2005 this report considers recent developments including the Government's decision to increase the proposed rate of new build housing from 150 000 to 200 000 per year by 2016 Issues discussed include the likely effectiveness of the proposed voluntary Code for Sustainable Homes in terms of achieving well designed energy efficient sustainable buildings whether the Government is doing enough to promote the Code within the building industry and the general public fiscal measures needed to reward higher building quality and greater environmental performance funding for the timely provision of infrastructure such as transport links schools and hospitals in main growth areas security of water supplies and whether the Government the Environment Agency and the water companies are doing enough to educate people about water efficiency Overall the Committee's report recognises the need for additional housing capacity but criticises the Government's failure to acknowledge the valid concerns about the environmental impacts of its house building plans and its lack of planning to ensure the necessary supporting infrastructure is put in place to establish sustainable communities
