

# CRITERIA CALCULATED IN U.S. NEWS COLLEGE RANKINGS

In 2024, the U.S. News and World Report revealed modifications to the criteria and methodology for its annual college rankings. The latest rankings now prioritize social mobility for students, allocating 2.5% of an institution's score to first-generation graduation rate performance and 5% to manageable borrower's debt. These adjustments represent increases from the criteria used in previous years.

Some of the most significant criteria considered in 2024 and the comparison to the 2022-2023 weighting are as follows.

## Peer Assessment

## Graduation Rates

## Financial Resources per Student

## Faculty Salaries

## Standardized Tests

\*The two different percentages represent 2024 National Universities Weight for Schools With Usable SAT/ACT and 2024 National Universities Weight for Schools Without Usable SAT/ACT, respectively.

Martinez, Jr., Joe Martin (Jr.), 1999-10 Evaluating and Responding to College Guidebooks and Rankings R. Dan Walleri, Marsha K. Moss, 1995-12-27 The proliferation of college guidebooks and reputational rankings has become of increasing concern to many in the higher education community Public relations and admissions staff view such publications from a marketing perspective and the potential positive or negative consequences for enrollment College presidents share these concerns along with the broader implications for the overall stature of their institutions The validity and integrity of the information reported is of particular interest to those who work in the area of institutional research Acknowledging the fact that the public the consumers has a great need for information about different institutions in order to make informed college choices for themselves or their children all of these groups in higher education share alarm about the burden imposed on institutions in responding to the ever increasing number of publishers requesting information for these guidebooks and rankings This volume explores some of the major facets of and issues surrounding college guidebooks and ratings The background and development of these publications are traced followed by discussion of major issues and perspectives consumer use of the publications validity of ratings and the institutional burden of supplying the needed information View from both the institutions and the publishers are presented This is the 88th issue of the quarterly journal *New Directions for Institutional Research* For more information on the series please see the Journals and Periodicals page **The Wall Street Journal**, 2009 *Educational Rankings Annual 2006* Westney, Lynn C. Hattendorf Westney, 2005-09 *Educational Rankings Annual* is useful for students parents and school faculty Also administrators of libraries and educational institutions use rankings to defend budgets justify new positions obtain government funding and attract philanthropic support The annually updated resource presents more than 4 000 national regional and international lists and rankings compiled from hundreds of respected sources The entries in Rankings include a description of the ranking background information on criteria for establishing the hierarchy additional remarks about the ranking the complete or partial if extensive ranking and source citations if necessary The University of Chicago Magazine, 2001 *McGraw-Hill's 12 SAT Practice Tests with PSAT*, 2ed, **The Educational Times**, and **Journal of the College of Preceptors**, 1892 U.S. News & World Report, 2007

Judge Longstreet Oscar Penn Fitzgerald, 1891      Lawyers and the Legal Profession Roy D. Simon, Carol A. Needham, Burnele Venable Powell, 2009 The authors employ several techniques to make this book user friendly For example the text gives students black letter law in plain English at the start of many chapters For key topics such as confidentiality conflicts of interest and communicating with adverse parties outlines summarize the law clearly and concisely Other topics begin with short introductory essays about the law This way a student can quickly grasp the basic concepts and be ready to spend class time discussing more sophisticated interesting and important issues Lawyers and the Legal Profession thrusts students into the middle of the debate over current ethical issues and the ethical realities of everyday practice The notes and questions stimulate interesting class discussions while the many problems and longer scenarios provide you the concrete situations in which to anchor the dialogue The casebook provokes vigorous classroom debate while assisting students in developing the capacity for ethical judgment that is so vital to the profession A Teacher s Manual is available for professors
