Breaking Good News David P. Bodanza,2015-09-09 The news is dominated by reports of inhumanity and tragedy Things seem to go from bad to worse and hope is hard to find What is wrong with the world Despite technological progress humanity cannot overcome the senseless strife that plagues every generation Into this world comes good news that shines so bright it turns the night sky into daylight The good news is God news God the Father so loved the world that He sent His one and only Son Jesus to rescue us from sin and eternal punishment Many Christians know this good news but keep it to themselves Yet the good news is too good to not share Bodanza gives us an example of sharing the good news from his weekly column in a hometown newspaper Use it to speak boldly or give it to another to read The gospel message is timeless and speaks to the ultimate issue of our lives
