GastroNaughties' Gallivant - Sipping'n Snacking California Central Coast and Las Vegas BuzzzzOff,2015-09-01 Sipping n Snacking California Central Coast and Las Vegas When planning a visit to our family in the USA we decided initially to parachute into California and Las Vegas for some sipping and snacking and catching up with old friends After all flying to the east coast of the USA from our home requires several somewhat grueling flights and layovers and more than a day of travel if you are inclined to do so in one go Well we were in no hurry and we detest hibernating in airplanes and airports for more than 36 hours actually we simply consider them a necessary evil Thus we sat down more than three months in advance to plan our trip to California and Las Vegas Searching clicking Google mapping and generally learning that California is one very HUGE state It was fun educational and offered ample justification to sip good wine during the day as well as evening We started in San Francisco worked our way south along US1 through the Central Coast Big Sur Paso Robles and Santa Barbara and thereafter across the Mojave Desert to Las Vegas sipping n snacking along the way GastoNaughties Gallivant Sipping n Snacking California Central Coast and Las Vegas is not our first road trip Trust us the first trip will include a lot more Ooops and Do s and Don t We like to learn by experience It is however our shortest trip Hence our first effort to publish together all our notes and photos We are working on publishing GastroNaughties Gallivant for other destinations Stay tuned to this Bat Channel Hope you have as much fun reading this book as we had gallivanting Until next time Bon Vivant Warning Our comments are based on our personal opinions are not subject to the influence of others and well we occasionally can be brutally honest for which we do not apologize
