Cyber Week Scholarships This Month:

The only marketing calender you will need , 2009 Marketing & Promotion Calendar , Directory of Research Grants 2008 Schoolhouse Partners Llc,2008-05 It was the 50s and life was simple until September 25 1954 That was the night that would be etched in the memory of the citizens of Stanfield Massachusetts The Chief of Police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city A fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer A Thread of Evidence places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children With a piece of crochet thread as their only clue the entire police department lead by detectives Steven Logan and Raymond Gage scour the city in search of a maniacal savage When all tips and leads have been exhausted they review all evidence They come back to the thread The only real evidence With tenacity and perseverance of Logan and Gage the killer is apprehended The reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence A Thread of Evidence has been written as fiction but inspired by an actual event Fifty years later it remains etched in the minds of all who had lived in the area The author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime The story has been recounted over and over and to this day it continues to be discussed A Thread of Evidence is a compelling account of superb detective work and unprecedented dedication of an entire police department

Developing Digital Scholarship Alison Mackenzie,Lindsey Martin,2016-10-17 This book provides strategic insights drawn from librarians who are meeting the challenge of digital scholarship utilizing the latest technologies and creating new knowledge in partnership with researchers scholars colleagues and students The impact of digital on libraries has extended far beyond its transformation of content to the development of services the extension and enhancement of access to research and to teaching and learning systems As a result the fluidity of the digital environment can often be at odds with the more systematic approaches to development traditionally taken by academic libraries which has also led to a new generation of roles and shifting responsibilities with staff training and development often playing catch up One of the key challenges to emerge is how best to demonstrate expertise in digital scholarship which draws on the specialist technical knowledge of the profession and maintains and grows its relevance for staff students and researchers This edited collection spans a wide range of contrasting perspectives contexts insights and case studies which explore the relationships between digital scholarship contemporary academic libraries and professional practice The book demonstrates that there are opportunities to be bold remodel trial new approaches and reposition the library as a key partner in the process of digital scholarship Content covered includes the impact of digital scholarship on organizational strategies an insight into new services and roles partnerships and collaborations case studies exploring new technologies to support research and development new approaches to service delivery re visioning of space physical and
