Side Hustle Ideas Sheldon Leonard, 2019-12-12. Kindle Version is FREE with Purchase of Paperback. Do you really need a day job? For some people, the thought of quitting their day job to become an entrepreneur is exciting. For others, it's terrifying. After all, a stable job that provides a weekly paycheck is a safety net. Not everyone has the money or the urge to assume the risks of self-employment. But what if we could create an additional stream of income quickly and easily without giving up the stability of a full-time gig? Enter the side hustle. Sheldon Leonard is no stranger to this world, having launched more than a dozen side hustles in his lifetime. Here, he offers a wealth of ideas to take you from idea to income. A side hustle is more than just another stream of income; it's also the new job security. When you receive multiple streams of income from different rivers, it allows you to take more chances in your normal job. More income means more options. More options equals freedom. You don't need business experience to launch a lucrative side gig. You don't need an MBA or know coding or be an expert marketer. You don't need employees or investors. Anyone can make more cash, pursue a craft, and enjoy greater security without quitting their day job. This book tells you how.
