The Business of Streaming and Digital Media Dan Rayburn, Michael Hoch, 2012-08-06 This book answers the question What is the value of using streaming and digital media for my business and what can I expect in return The Business of Streaming and Digital Media gives you a concise and direct analysis of how to implement a scalable profitable venture as well as the common and hidden pitfalls to avoid in your business By focusing on both the business implications and technical differences between rich media and traditional broadcast distribution you will learn how to gain significant time to market and cost saving advantages by effectively using streaming and digital media technologies *Mapping the Total Value Stream* Mark A. Nash, Sheila R. Poling, 2011-03-23 Mapping the Total Value Stream defines and elaborates on the concepts of value stream mapping VSM for both production and transactional processes This book reshapes and extends the lessons originally put forward in a number of pioneering works including the popular Value Stream Management for the Lean Office It reinforces fundamental concepts and theoretical models with real world applications and complete examples of the value stream mapping technique To educate VSM mappers on the specific mechanics of the technique the text provides in depth explanations for commonly encountered situations The authors also provide a more complete perspective on the concept of availability While they discuss availability of equipment in transactional processes they extend the concept by elaborating on availability as it applies to employees The calculation of process lead time for work queues is taken to an advanced level not only is the calculation of this lead time explained but the text also covers the very real possibility of having more work in the queue than available time While previous books have focused on only production process VSM or transactional process VSM this work meets the real needs of both manufacturers and service sector organizations by dealing with both types It goes beyond explaining each scenario to teach readers what techniques are commonly applicable to both and also explains areas of difference so that mappers will be able to readily adapt to whatever unique situations present themselves **Billboard**, 2011-04-02 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Forest and Stream**, 1892
