Politburo Has Decided That You Are Unwell:

The Politburo Has Decided that You are Unwell John Waters, 2004 For nearly fifteen years John Waters has been a dissident voice writing in his weekly column for The Irish Times invariably confronting the conventional wisdom on issues ranging from fatherhood and the official denial of the rights of parents and children to the absurdity of Ireland's seemingly endless tribunals He is known for an elegant representation of common sense in the face of ideology received thinking and self-serving cant In these controversial and highly charged pieces he revisits his principal themes and concerns of a most turbulent decade in Ireland and the world providing an invigorating look at how Ireland and its place in the world have changed in that time *Ireland* Markus Bäuchle, 2013 **Feckers: 50 People Who Fecked Up Ireland** John Waters, 2011-10-06 Which 50 People turned Ireland into the fecked up country she is today Bono Haughey Louis Walsh de Valera It's time to name and shame the great the good and the gobshites Conventional wisdom has it that Ireland after a violent and tragic history had began to get things right But when the ill wind of recession cruelly snatched that self-satisfied achievement away it all seemed like exceedingly back luck In his 50 brilliantly acerbic portraits Waters reveals a consistent pattern of self-delusion myopia inferiority complex bravado defeatism cynicism sentimentalism and conceit He traces Ireland's story from the paranoid insularism and cultural myopia that followed national Independence through the post Sixties obsession with a faux self-confidence to the final salutary meltdown of the Celtic Tiger and strangely lacking either Celts or tigers Once among the oldest civilization in Europe Ireland has ended up as a second rate version of the England it tried to discard It threw out not merely the bathwater and the baby but also the bathtub the sponge and the rubber duck **Inside Gorbachev's Kremlin** Yegor Ligachev, Stephen Cohen, 2018-02-23 This memoir by the second most powerful Communist Party leader during the early Gorbachev years provides an important alternative view of the USSR's transformation a view that is gaining ground in Russian politics today In a substantial new piece for this edition Mr Ligachev outlines the political agenda of today's communist coalition the establishment of a new Soviet Union with strong economic and political integration of its member states Yegor Ligachev a seasoned Party boss from Siberia made a solid career for himself in the capital during the Khrushchev era but following Khrushchev's ouster chose to retreat to the provinces In 1985 his political patrons brought him back to Moscow to help them build a dynamic new leadership team under Mikhail Gorbachev The two reform-minded communists launched an effort to inject life and energy into the Party economy and society through a series of liberalizing measures But when Ligachev saw the reforms moving into a revolutionary phase that could result in the Party's loss of control over the helm of state he found himself increasingly siding with the opposition In this gripping book Ligachev describes the evolving confrontation between opposing forces at high level Party meetings and sessions of the Politburo as well as in less formal conversations Along the way he gives revealing glimpses not only of Gorbachev but also of Yuri Andropov Andrei Gromyko Alexander Yakovlev Eduard Shevardnadze Boris Yeltsin and other top leaders Notorious events

such as the 1989 massacre in Tbilisi and the Gdlyan Ivanov affair in which Ligachev argues he was unjustly implicated are also highlighted
