Root, 2000-07-11 How do political institutions help promote prosperity in some countries and poverty in others What can be done to encourage leaders to govern not for patronage but for economic growth In this book such distinguished political economists as Douglass North Robert Barro and Stephen Haber answer these questions providing a solution to one of the most important policy puzzles of the new century how to govern for prosperity The authors begin from a premise that political leaders are self interested politicians rather than benign agents of the people they lead When leaders depend on only a few backers to stay in power they dole out privileges to those people thereby dissipating their country's total resources and national growth potential On the other hand leaders who need large coalitions to stay in office implement policies that generally foster growth and political competition over ideas The result is that those who promote policies that lead to stagnation tend to stay in office for a long time and those who produce prosperity tend to lose their jobs Analyzing countries in North and South America and Asia the authors discuss the range of political regimes that permit or even encourage leaders to rule by mismanaging their nation's resources And they show that nations must forge institutions that allow all social groups to participate in and benefit from the economy as well as force political leaders to be responsible for policy outcomes     States and Development in the Asian Pacific Rim Richard P. Appelbaum, 1992-03-13 This book is an edited volume of eleven chapters that focus on state policy and its consequences for economic development and social transformation in East Asia The introductory chapter anticipates the conclusions of the chapters to follow arguing that an adequate explanation of the Asian miracle     Governance in the Asia-Pacific Richard A. Maidment, David S. Goldblatt, Jeremy Mitchell, 1998 A student friendly textbook which examines the governance of nation states in this region exploring the huge diversity and range of political values beliefs and governing styles in the Asia Pacific     Governance in Pacific Asia Peter Ferdinand, 2012-02-02 This book examines the political economy of the states of Pacific Asia stretching from Japan to Burma since the end of WWII Governance in Pacific Asia offers a comprehensive account of the diverse experiences of the states in Pacific Asia Organized thematically around government and business relations in the main sectors of the economy chapters cover the historical social and cultural contexts for such policies as well as the social and political consequences of rapid economic development They also discuss the increasing economic integration of the region as well as its impact on global affairs and the reverse effect of globalization upon particular political systems Each chapter

contains case studies and examples from anywhere in the region with some countries appearing more regularly such as China Japan newly industrialized economies Thailand the Philippines Malaysia Indonesia and Vietnam Governance in Pacific Asia provides an in depth comparative survey of a key region in world politics and political economy An essential text that includes sources from the region in at least three languages Chinese Japanese and Indonesian Malay it will be of interest to students and faculty in international relations developmental politics Asian politics and political economy Pacific Asian Studies ,1975 *East Asian Dynamism* Steve Chan,2019-03-08 East Asian Dynamism continues to offer a succinct account of Pacific regional political economy from the dawn of the modern world system to projections of alternative futures Steve Chan is a master at demystifying the geography history and culture of the region while bringing to life the current policy choices and dilemmas facing its people *Australasian Political Studies 1997* Australasian Political Studies Association.
