Political Participation in Rural China John P. Burns, 1988 **Handbook of China's Governance and Domestic Politics** Chris Ogden, 2013-01-03 This Handbook provides an in depth overview of how China is governed how its domestic political system functions and the critical issues that it currently faces Governed by the world's largest political party in the world's longest ruling Communist regime China is undergoing a transitional period of rapid economic and social development How this period is managed will have significant implications for the Chinese state and its population concerning China's governance structures and economy as well as the country's justice public health education and internal external security concerns This transition to a modern state is not without its challenges particularly in terms of how the Chinese state deals with diverse issues such as social inequality corruption separatism increasing individualism and political reform China's governance and domestic politics also have possible major global consequences especially in the context of China's continued rise within the international system This Handbook will improve understandings of the core national dynamics of this rise and as levels of international interdependence with China increase can offer vital insights concerning China's domestic attributes Gaining a better knowledge of China's internal workings can also help better appreciate the multiple and varied problems that China's leaders will face in the coming decades Critically many of the core internal issues facing China also have potential external repercussions principally in terms of rising social unrest nationalism environmental degradation resource shortages and attitudes towards globalization This book aims to cover these issues and will help readers to fully comprehend China's ongoing contemporary global significance *China's Unresolved Issues* Suzanne Ogden, 1989 As well as taking an overview of the cultural and historical context of modern Chinese politics this work examines the interaction of politics ideology development and culture The new edition considers the results of the Tiananmen Square massacre and the strength of the movement for democracy *China's New Social Fabric* Godwin C. Chu, Francis L.K. Hsu, 2022-03-26 First published in 1983 China has undergone tumultuous changes in the last thirty years yet Chinese society as not only stayed intact but has made progress The pace at which the country has reunited following the death of Chairman Mao has taken the outside world by surprise The contributors to this book ask what are the integrative factors in contemporary China that have held the society together during the course of its revolutionary transformation and examine various aspects of the Chinese social system for clues to the answer What they have found is a new Chinese social fabric that in part has its roots in China's traditional social and cultural foundations they show how the Chinese system draws its strength from the local communities and is integrated through an intricate web of communication channels mostly laid down since the founding of the People's Republic in 1949 The downfall of the radicals after the death of Mao has altered the policy regarding the interim objectives of the system but not its basic structural processes China's experience in the last thirty years both in its success and setbacks will be interest to many developing societies *China's Development Challenges* Richard Schiere, 2009-12-21 This book

argues that a major potential source of social tension in transition and developing countries is not poverty as such but vulnerability to poverty the risk of becoming poor It demonstrates how in China many recent public sector reforms have made many households extremely vulnerable to poverty *The Journal of Asian Studies* ,1989 **Modern China Studies** ,1978 **Social Mentality and Public Opinion in China** Fanbin Zeng,2023-02-24 This book explores the relationship between social mentality public opinion media and other factors through mixed methods in China especially since the 21st century The book deploys qualitative and quantitative research and adopts a multi disciplinary perspective and diverse research methods The studies are built on and contribute to the burgeoning literature seeking to anatomise the relationship between social mentality media and public opinion from the point of view of sociology and communication It also aims to explore how media can be used to appease public opinion As the first systematic study of the interconnection between social mentality and public opinion this book provides empirical support and a theoretical framework for both areas It will thus be a great read for students and scholars of communication sociology and social psychology especially for those with a focus on China and new media *Routledge Handbook of Democratization in East Asia* Tun-jen Cheng,Yun-han Chu,2017-09-01 This handbook provides a comprehensive analysis of the dynamics and prospects of democratization in East Asia A team of leading experts in the field offers discussion at both the country and regional level including analysis of democratic attitudes and movements in China Japan South Korea and Taiwan Evaluating all the key components of regime evolution from citizen politics to democratic institutions the sections covered include Regional Trends and Country Overviews Institutions Elections and Political Parties Democratic Citizenship Democratic Governance The Political Economy of Democratization Examining the challenges that East Asian emerging democracies still face today as well as the prospects of the region s authoritarian regimes the Routledge Handbook of Democratization in East Asia will be useful for students and scholars of East Asian Politics Comparative Politics and Asian Studies **European Perspectives on Taiwan** Jens Damm,Paul Lim,2012-02-23 The initiative and leadership for this edited volume came from the European Institute for Asian Studies EIAS based in Brussels The book discusses questions related to the different European perspectives on Taiwan in various fields asking in particular How has the European Union dealt with the unsolved status of the Republic of China on Taiwan In which ways has Europe been seen as a model for Taiwan s transformation and does the example of the EU offer any lessons for cross Strait integration Furthermore the authors well known specialists drawn from disciplines such as economics political science international law history and cultural studies are equally interested in Taiwan s perspectives on Europe and in the historical relationship between Taiwan and Europe **Politics of Modern China: Democratization** Yongnian Zheng,Yiyi Lu,Lynn T. White,2010 The Politics of Modern China is a comprehensive 4 volume resource for students and teachers of modern Chinese politics as well as other interested individuals and institutions internationally *New Directions in Chinese Politics for the New Millennium* Guoli Liu,Weixing Chen,2002 Addresses the most significant development in China s reform with a focus on

rural and urban elections comprehensive marketization nature of political change China s entry into the World Trade Organization property rights and science and technology policy and culture and sovereignty **Agrindex** ,1990 **The Australian Journal of Chinese Affairs** ,1994 ,1987 ,1997 **Groups and Politics in the People's Republic of China** David S. G. Goodman,1984 [AccessAsia](#) ,1996 **Asian Survey** ,1961 **Subject Guide to Books in Print** ,1993
