Political Thought In Renaissance Poland An Anthology In English:

Political Thought in Renaissance Poland Harold B. Segel, 2003 **Poles, Polonia, and the Quest for Liberty** John S. Micgiel, 2025-06-13 *Poles Polonia and the Quest for Liberty* provides a scholarly analysis of how Poles and Polish Americans have cherished liberty and democracy in Poland and struggled to achieve those ideals across the centuries Experts in the field tackle a series of topics that illuminate major themes in the history of a nation and a state that once again is playing an increasingly important role on the international stage Chapters cover a wide historical period from the Middle Ages to recent years and address several subject areas including international relations security studies political theory area studies and diplomatic and cultural history The contributors deal with fifteenth century conciliarism and contextual scrutiny of the varied meanings of liberty in the Constitution of May 3 1791 Others examine various nineteenth twentieth and twenty first century diplomatic financial military and cultural efforts in support of and in one case contrary to Polish freedom and independence Exploring divisive issues that challenged and continue to challenge policy makers and the average person on both sides of the Atlantic this timely book examines increasingly relevant topics concerning democracy and Poland It will be of interest to those studying the history and politics of Eastern Europe *Polish Republican Discourse in the Sixteenth Century* Dorota Pietrzyk-Reeves, 2020-04-09 A landmark study of republican discourse in sixteenth century Poland Lithuania and its original contribution to early modern republicanism *Intermarium* Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture **Diversity and Dissent** Howard Louthan, Gary B. Cohen, Franz A. J. Szabo, 2011-03-01 Early modern Central Europe was the continent s most decentralized region politically and its most diverse ethnically and culturally With the onset of the Reformation it also became Europe s most religiously

divided territory and potentially its most explosive in terms of confessional conflict and war Focusing on the Holy Roman Empire and the Polish Lithuanian Commonwealth this volume examines the tremendous challenge of managing confessional diversity in Central Europe between 1500 and 1800 Addressing issues of tolerance intolerance and ecumenism each chapter explores a facet of the complex dynamic between the state and the region s Catholic Protestant Orthodox Utraquist and Jewish communities The development of religious toleration one of the most debated questions of the early modern period is examined here afresh with careful consideration of the factors and conditions that led to both confessional concord and religious violence

"A Pearl of Powerful Learning": The University of Cracow in the Fifteenth Century Paul Knoll, 2016-08-09 Winner of The Polish Institute of Arts and Sciences of America s 2018 Oskar Halecki Award and Winner of the Early Slavic Studies Association 2016 Book Prize The first fully developed history of the University of Cracow in this period in over a century A Pearl of Powerful Learning The University of Cracow in the Fifteenth Century places the school in the context of late medieval universities traces the process of its foundation analyzes its institutional growth its setting in the Polish royal capital its role in national life and provides a social and geographical profile of students and faculty The book includes extended treatment of the content of intellectual life and accomplishments of the school with reference to the works of its most important scholars in the medieval arts curriculum medicine law and theology The emergence of early Renaissance humanist interests at the university is also discussed Winner of the Early Slavic Studies Association 2016 Book Prize for most outstanding recent scholarly monograph on pre modern Slavdom The work was described by the prize committee as A thoughtful highly informed and nuanced history of the University of Cracow an important institution in a pivotal period of Poland s history Knoll s treatment of such important issues as the role of the University in national life and the controversial and highly technical matter of the impact of Humanism are dealt with tactfully and thoughtfully The book will become the definitive work on this topic and will ensure that the material will rapidly be absorbed into general histories of education and of universities in the Renaissance Winner of The Polish Institute of Arts and Sciences of America s 2018 Oskar Halecki Award This award recognizes a book of particular value and significance dealing with the Polish experience and is named after the distinguished 20th century Polish medieval historian Oskar Halecki who was one of the founders of PIASA Professor Knoll will be recognized for this award during the 77th Annual Meeting of PIASA in Gdansk Poland in June 2019

The History of Poland M. B. B. Biskupski, 2018-09-07 This book is an engaging explanation of the complicated history of Poland one of the least well known countries in Europe Poland which has one of the strongest economies in the European Union has faced significant turmoil throughout the years Encapsulating centuries of development this book distills Poland s historical evolution into patterns including those that have developed since the first edition was published nearly 20 years ago The book begins with an overview of contemporary Poland providing both basic information about the geography culture and current political climate of the country while tying these to major contemporary issues This introduction is

followed by chapters discussing Poland's long history starting with the 10th century. The second half of the book presents a history of Poland in the 20th and 21st centuries covering the major issues affecting the country and offering possible interpretations of them. This updated and revised edition accounts for recent events in Poland and examines the effects of the Polish diaspora globally. *The Polish Review*, 2008 *The Sarmatian Review*, 2006 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur**, 2004 *The American Historical Association's Guide to Historical Literature* American Historical Association, 1995. Contains nearly 2,000 annotated citations primarily English language works divided into forty-eight sections; citations refer chiefly to works published between 1961 and 1992. **Poland**, 1976 **Forthcoming Books** Rose Arny, 2000-06 *Polish Perspectives*, 1987 *Books in Print*, 1982 *Isis*, 1957-03 **The Publishers' Trade List Annual**, 1985 *Philosophic Abstracts*, 1946 *Bibliographic Index*, 1995
