Das Schweizer Buch ,1988      **Race and Religion in Mid-nineteenth Century America, 1850-1877** Joseph R. Washington,1988 This study focuses on Protestant philanthropic agencies Calvinist conservatives and social liberals as competing colour conscious clerical classes of charioteers driving chariots of charity behind the Cotton Curtain      **Black American Literature Forum** ,1988 Provides image and full text online access to back issues Consult the online table of contents for specific holdings      **The Cumulative Book Index** ,1989 A world list of books in the English language      **Bibliographic Guide to Black Studies** Schomburg Center for Research in Black Culture,1991      **Program** Organization of American Historians,1989      *Afro-Americana Acquisitions* University of Illinois at Urbana-Champaign. Library. Afro-Americana Unit,1993      Black-race Family Binds and White-ethnic Kinship Ties Joseph R. Washington,1988      Journal of Ecumenical Studies ,1988      The Handbook of International Migration Charles Hirschman,Philip Kasinitz,Josh Dewind,1999-11-04 The historic rise in international migration over the past thirty years has brought a tide of new immigrants to the United States from Asia South America and other parts of the globe Their arrival has reverberated throughout American society prompting an outpouring of scholarship on the causes and consequences of the new migrations The Handbook of International Migration gathers the best of this scholarship in one volume to present a comprehensive overview of the state of immigration research in this country bringing coherence and fresh insight to this fast growing field The contributors to The Handbook of International Migration a virtual who s who of immigration scholars draw upon the best social science theory and demographic research to examine the effects and implications of immigration in the United States The dramatic shift in the national background of today s immigrants away from primarily European roots has led many researchers to rethink traditional theories of assimilation and has called into question the usefulness of making historical comparisons between today s immigrants and those of previous generations Part I of the Handbook examines current theories of international migration including the forces that motivate people to migrate often at great financial and personal cost Part II focuses on how immigrants are changed after their arrival addressing such issues as adaptation assimilation pluralism and socioeconomic mobility Finally Part III looks at the social economic and political effects of the surge of new immigrants on American society Here the Handbook explores how the complex politics of immigration have become intertwined with economic perceptions and realities racial and ethnic divisions and international relations A landmark compendium of richly nuanced investigations The Handbook of International Migration will be the major reference work on recent immigration to this country and will enhance the development of a truly interdisciplinary field of international migration studies      *Ethnicity, Social Mobility, and Public Policy* Glenn C. Loury,Tariq Modood,Steven M. Teles,2005-05-12 This major comparative study of the social mobility of ethnic minorities in the US and UK argues that social mobility must be understood as a complex and multi dimensional phenomenon incorporating the wealth and income of groups but also their

political power and social recognition Written by leading sociologists economists political scientists geographers and philosophers in both countries the volume addresses issues as diverse as education work and employment residential concentration political mobilisation public policy and social networks while drawing larger lessons about the meaning of race and inequality in the two countries While finding that there are important similarities in the experience of ethnic and especially immigrant groups in the two countries the volume also concludes that the differences between the US and UK especially in the case of American blacks are equally important

**Campus Wars** John Arthur, 2021-01-07 Throughout its history the United States has struggled with the inevitable tensions of a highly diverse society With the opening of higher education to women ethnic minorities and members of other previously marginalized groups these tensions are now visited most especially upon our nation's colleges and universities This collection addresses the most controversial issues now troubling our campuses the content of the curriculum sexual harassment and date rape hate speech v free speech and affirmative action In addition several contributions probe the fundamental issues underlying the more specific problems of the politics of difference The contributions to this volume represent a wide range of disciplines including philosophy history literary theory law economics and politics as well as views from across the political spectrum Readers will find both familiar essays and new ones arranged so that the authors speak directly to one another thus providing a genuine conversation

*American Identity and the Politics of Multiculturalism* Jack Citrin, David O. Sears, 2014-08-11 The civil rights movement and immigration reform transformed American politics in the mid 1960s Demographic diversity and identity politics raised the challenge of *e pluribus unum* anew and multiculturalism emerged as a new ideological response to this dilemma This book uses national public opinion data and public opinion data from Los Angeles to compare ethnic differences in patriotism and ethnic identity and ethnic differences in support for multicultural norms and group conscious policies The authors find evidence of strong patriotism among all groups and the classic pattern of assimilation among the new wave of immigrants They argue that there is a consensus in rejecting harder forms of multiculturalism that insist on group rights but also a widespread acceptance of softer forms that are tolerant of cultural differences and do not challenge norms such as by insisting on the primacy of English
