The End of College Football Nathan Kalman-Lamb,Derek Silva,2024-10-04 In this book Nathan Kalman Lamb and Derek Silva offer an existential challenge to one of America s favorite pastimes college football Drawing on twenty five in depth interviews with former players from some of the country s most prominent college football teams Kalman Lamb and Silva explore how football is both predicated on a foundation of coercion and suffused with racialized harm and exploitation Through the stories of those who lived it the authors examine the ways in which college football must be understood as a site of harm revealing how players are systematically denied the economic value they produce for universities and offered only a devalued education in return By illuminating the plantation dynamics that make college football a particularly racialized form of exploitation the book makes legible the forms of physical sacrifice that are required the ultimate cost in health and well being and the coercion that drives players into the sport and compels them to endure such abusive conditions **Statistical**

Thinking in Sports Jim Albert,Ruud H. Koning,2007-07-12 Since the first athletic events found a fan base sports and statistics have always maintained a tight and at times mythical relationship As a way to relay the telling of a game s drama and attest to the prodigious powers of the heroes involved those reporting on the games tallied up the numbers that they believe best described the action and bes *Official Baseball Annual* National Baseball Congress of America,1974

Touchdown Gerald R. Gems,Gertrud Pfister,2017-09-30 American football is the most popular and controversial sport in the United States and a massive industry The NFL s revenues are over 13 billion annually The Super Bowl is watched by half of US television households and is televised in over 150 countries Touchdown An American Obsession is the first comprehensive guide to the history and culture of the sport covering US college football as well as professional football worldwide The editors and authors are among the world s leading sports scholars They cover race ethnicity religion gender social class and globalization as well as recent scandals and controversies the importance of television and the art and aesthetics of the game Touchdown An American Obsession is a readable authoritative guide for Americans as well as an introduction for people around the world **The Sporting News** ,1979 Spot Television Rates and Data Standard Rate & Data Service,1993-07
