confidence The essential tactics for balancing market share and wallet share without losing momentum If Monetizing Innovation taught you how to build a great product Scaling Innovation will teach you how to build a great business one that thrives scales and creates real enterprise value Read it Apply it Build something that lasts Understanding Collaborative Consumption Pia A. Albinsson, B. Y. Perera, Stephanie J. Lawson, 2024-04-12 This dynamic book explores the importance of collaborative consumption which is particularly relevant at a time when the sharing economy has established itself as part of the mainstream market Nearly 40 expert scholars across the globe go beyond the existing literature to investigate understudied community efforts and spaces including innovative topics such as hand me downs and coworking **Virtues, Morals and Markets** Rojhat Avsar, 2024-03-05 Being oblivious to the motivational nuances behind human behavior could lead one to overlook the distinction that a good action does not always indicate a good character Conversely this book argues that such nuances are paramount Focusing on character over consequences is vital because motivational differences have fundamental implications for the welfare of the individual and society Drawing on Aristotelian virtue ethics the book argues that the utilitarian economic rhetoric the rise of identity politics and the growing commodification have allowed an illusion that moral and economic lives can be detached to take root in our culture The book provides a robust philosophical argument articulating the inadequacy of the modern conception of morality as a set of universal rules that underlies economics and many modern day institutions and aims to create a greater awareness of the connection between virtuous character and leading fulfilled lives Integrating contemporary empirical findings with theoretical philosophical insights the book develops a coherent and convincing framework that could help transform the welfare ideology that underlies economic policies and modern institutions This book is essential for anyone interested in questions of ethics in economics and related fields including welfare economics microeconomics political economy institutional economics evolutionary economics social economics and behavioral economics **Working in America** Amy Wharton, 2022-12-30 This leading comprehensive text for courses on the sociology of work covers many vital new topics since the last edition 2015 just as it continues to offer foundational writings and discusses different types of jobs inequality and intersectionality work and family and more New to this edition The gig economy and new digital platforms and their effects on how work is organized Precarious work and precarious workers changes that reflect fundamental changes in employment relationships increased job insecurity and how people think about their jobs The new retail from customer interactions to a world where consumption is driven by data science The latest research on call centers as the archetypal 21st century workplace illustrating many important issues about interactive work transnational workplaces gender etc The post pandemic workplace including essential workers and frontline workers healthcare work and care workers job flexibility and implications for gender work and family *DoorDash Unofficial Cheats, Hacks, Hints, Tips, And Tricks That Every DoorDasher Should Know* Trevor Clinger, 2024-09-28 Unlock the secrets to maximizing your DoorDash experience with DoorDash Unofficial Cheats Hacks Hints Tips and Tricks That Every
