Part II further develops understanding of diversity, equity, and inclusion through comprehensive coverage of critical areas of diversity that have an impact on the sport industry, including social class and economic status, gender and gender identity, race and ethnicity, disability, political influence and affiliation, religion, and age. Part III is designed to empower sport professionals to become leaders, providing actionable advice on promoting and successfully implementing best practices. Students will learn about connecting difficult conversations to leadership, planning strategically, assessing organizational climate, and using sport as a platform for social change. Each chapter opens with a real-life scenario introducing the chapter's topic and closes with exercises to prompt critical thinking about the issues raised. Sport Industry Leader Profiles provide interviews with leading professionals for practical, informed opinions on the issues presented. Sport Industry Diversity Initiative sidebars feature organizational approaches to DEI issues. *Diversity, Equity, and Inclusion in Sport* addresses the key areas and challenges surrounding DEI in the sport industry and examines the role of sport in effecting social change.
