Plurals And Events

Timothy John Smiley

Plurals And Events:

Plurals and Events Barry Schein, 1993 Barry Schein proposes combining a second order treatment of plurals with Donald Davidson's suggestion that there are positions for reference to events in ordinary predicates in order to account for several of the more puzzling features of plurals without invoking plural objects with its attendant metaphysics and also provide an absolute truth theoretic characterization of the semantics of sentences with plurals in them How do we make sense of sentences with plural noun phrases in them In *Plurals and Events* Barry Schein proposes combining a second order treatment of plurals with Donald Davidson's suggestion that there are positions for reference to events in ordinary predicates in order to account for several of the more puzzling features of plurals without invoking plural objects with its attendant metaphysics and also provide an absolute truth theoretic characterization of the semantics of sentences with plurals in them Schein's highly original argument should have significant impact on how natural language semantics is done with repercussions for philosophy and logic The book opens with foundational arguments that the logical language should have four major features reduction to singular predication via a Davidsonian logical form amereology of events a logical syntax that allows the constituents of a Davidsonian analysis to be predicated of distinct events and separated from one another by other logical elements and descriptive anaphors that cross refer to the events described by antecedent clauses A semantics for plurality and quantification is developed in the remaining chapters which address some of the empirical and formal questions raised by the variety of interpretations in which plurals and quantifiers participate

Genericity Alda Mari, Claire Beyssade, Fabio Del Prete, 2013 This book provides an up to date introduction to the study of generics It gathers new work from senior and young researchers and is organized along three main areas of study the generic and individuals genericity and time and the sources of genericity and types of judgment

Time and TAME in Language Ana Maria Tramunt Ibaños, Karina Veronica Molsing, 2014-09-26 This book presents a collection of papers on various syntactic and semantic aspects of temporal expression in language The articles included in this volume were presented at the I International Meeting on Syntax and Semantics and their Interfaces with the main theme of the event being time The authors include well renowned researchers as well as new contributors to the field who present cutting edge research on a variety of topics ranging from the fundamental nature of time to formal approaches to specific tense aspect structures as well as their interaction with other grammatical categories This volume represents a valuable contribution to the field and will be of interest to scholars studying the representation of time in language as well as to syntacticians and semanticists in general

Event Structures in Linguistic Form and Interpretation Johannes Dölling, Tatjana Heyde-Zybatow, Martin Schäfer, 2008 This volume addresses the problem of how language expresses conceptual information on event structures and how such information can be reconstructed in the interpretation process The papers present important new insights into recent semantic and syntactic research on the topic The volume deals with the following problems in detail event structure and

syntactic construction event structure and modification event structure and plurality event structure and temporal relation event structure and situation aspect and event structure and language ontology Importantly the topic is discussed not only on the basis of English and German but on the basis of other languages including Mandarin Japanese Korean Indonesian and Igbo as well This volume thus provides solid evidence towards clarifying the empirical use of event based analyses

Theoretical and Crosslinguistic Approaches to the Semantics of Aspect Susan D. Rothstein, 2008-03-20 The papers in this volume investigate the semantics of aspect from both a theoretical and a crosslinguistic point of view in a wide range of languages from a number of different language families The papers are all informed by the belief that a thorough exposure to the expression of aspect crosslinguistically is crucial for progress in understanding how the semantics of aspect works and what the semantic basis of aspectual distinctions is The languages discussed include Russian English Dutch Hebrew Mandarin Japanese and Kalaallisut The issues discussed in this volume include the centrality of measuring and counting in an understanding of telicity the importance of the singular plural distinction in the study of aspect the importance of homogeneity as a property of event types the flexibility of lexical classes and the interaction between expressions of aspect and the particular morphosyntactic structure of a language 曹逢甫, 2007-12 **Bare Plurals, Indefinites, and Weak-strong Distinction** Svetlana Vogeleva, 2006 As of Volume 9 1994 95 John Benjamins Publishing Company is the official publisher of the Belgian Journal of Linguistics the annual publication of the Linguistic Society of Belgium Each volume is topical and includes selected papers from the international meetings organised by the LSB **The Philosopher's Annual**, 2000 **Events and VP Modifiers** S. G. Pulman, University of Cambridge. Computer Laboratory, 1989 **MIT Working Papers in Linguistics**, 1997 *Meeting Handbook* Linguistic Society of America, 1994 **Etc**, 1987 **Lingua**, 1995 International review of general linguistics **Philosophical Logic** Timothy John Smiley, 1998 This edited volume comes out of a one day conference on philosophical logic at the British Academy in 1996 Philosophical logic covers a number of areas of thought contrasting with the formal thinking of mathematical logic Specifically the essays here are concerned with language including James Higginbotham Professor of General Linguistics Oxford on Higher Order Logic and Natural Language Logic & Natural Language Hanoch Ben-Yami, 2004 The main purpose of this volume is to demonstrate several significant distinctions between the predicate calculus and natural language distinctions that make the former inadequate for the study of the semantics and logic of the latter **Proceedings from Semantics and Linguistic Theory XIII** Robert B. Young, Yuping Zhou, 2003 **Sessional Papers** British Columbia, 1880 **Sessional Papers, British Columbia** British Columbia. Legislative Assembly, 1880 Compilation of annual reports of various governmental agencies Journal of Linguistics, 2014 **Proceedings from Semantics and Linguistic Theory**, 2003

Eventually, you will extremely discover a additional experience and carrying out by spending more cash. nevertheless when? do you agree to that you require to get those every needs later than having significantly cash? Why dont you try to acquire something basic in the beginning? Plurals And Events Introduction

In the digital age, access to information has become easier than ever before. The ability to download Plurals And Events has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Plurals And Events has opened up a world of possibilities. Downloading Plurals And Events provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Plurals And Events has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Plurals And Events. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Plurals And Events. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Plurals And Events, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Plurals And Events has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Plurals And Events Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Plurals And Events is one of the best book in our library for free trial. We provide copy of Plurals And Events in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Plurals And Events. Where to download Plurals And Events online for free? Are you looking for Plurals And Events PDF? This is definitely going to save you time and cash in something you should think about.
