Box Office Guide Returns:

Grokking Functional Programming Michal Plachta, 2023-02-07 There s no need to fear going functional This friendly lively and engaging guide is perfect for any perplexed programmer It lays out the principles of functional programming in a simple and concise way that will help you grok what FP is really all about In *Grokking Functional Programming* you will learn Designing with functions and types instead of objects Programming with pure functions and immutable values Writing concurrent programs using the functional style Testing functional programs Multiple learning approaches to help you grok each new concept If you ve ever found yourself rolling your eyes at functional programming this is the book for you Open up *Grokking Functional Programming* and you ll find functional ideas mapped onto what you already know as an object oriented programmer The book focuses on practical aspects from page one Hands on examples apply functional principles to everyday programming tasks like concurrency error handling and improving readability Plus puzzles and exercises let you think and practice what you re learning You ll soon reach an amazing aha moment and start seeing code in a completely new way About the technology Finally there s an easy way to learn functional programming This unique book starts with the familiar ideas of OOP and introduces FP step by step using relevant examples engaging exercises and lots of illustrations You ll be amazed at how quickly you ll start seeing software tasks from this valuable new perspective About the book *Grokking Functional Programming* introduces functional programming to imperative developers You ll start with small comfortable coding tasks that expose basic concepts like writing pure functions and working with immutable data Along the way you ll learn how to write code that eliminates common bugs caused by complex distributed state You ll also explore the FP approach to IO concurrency and data streaming By the time you finish you ll be writing clean functional code that s easy to understand test and maintain What s inside Designing with functions and types instead of objects Programming with pure functions and immutable values Writing concurrent programs using the functional style Testing functional programs About the reader For developers who know an object oriented language Examples in Java and Scala About the author Michal Plachta is an experienced software developer who regularly speaks and writes about creating maintainable applications Table of Contents Part 1 The functional toolkit 1 Learning functional programming 2 Pure functions 3 Immutable values 4 Functions as values Part 2 Functional programs 5 Sequential programs 6 Error handling 7 Requirements as types 8 IO as values 9 Streams as values 10 Concurrent programs Part 3 Applied functional programming 11 Designing functional programs 12 Testing functional programs

The First King of Hollywood Tracey Goessel, 2015-10-01 Theatre Library Association s Wall Award Finalist Silent film superstar Douglas Fairbanks was an absolute charmer Irrepressibly vivacious he spent his life leaping over and into things from his early Broadway successes to his marriage to the great screen actress Mary Pickford to the way he made Hollywood his very own town The inventor of the swashbuckler he wasn t only an actor he all but directed and produced his movies and in founding United Artists with Pickford Charlie Chaplin and D W Griffith he

challenged the studio system But listing his accomplishments is one thing and telling his story another Tracey Goessel has made the latter her life's work and with exclusive access to Fairbanks's love letters to Pickford she brilliantly illuminates how Fairbanks conquered not just the entertainment world but the heart of perhaps the most famous woman in the world at the time When Mary Pickford died she was an alcoholic self-imprisoned in her mansion nearly alone and largely forgotten But she left behind a small box in it worn and refolded were her letters from Douglas Fairbanks Pickford and Fairbanks had ruled Hollywood as its first king and queen for a glorious decade But the letters began long before when they were both married to others when revealing the affair would have caused a great scandal Now these letters form the centerpiece of the first truly definitive biography of Hollywood's first king the man who did his own stunts and built his own studio and formed a company that allowed artists to distribute their own works outside the studio system But Goessel's research uncovered more than Fairbanks's first film appearance was two years earlier than had been assumed that his stories of how he got into theater and then into films were fabricated that the Pickford Fairbanks Studios had a specially constructed underground trench so that Fairbanks could jog in the nude that Fairbanks himself insisted racist references be removed from his films intertitles and the true cause of Fairbanks's death Fairbanks was the top male star of his generation the maker of some of the greatest films of his era *The Thief of Bagdad* *Robin Hood* *The Mark of Zorro* He was fun witty engaging creative athletic and a force to be reckoned with He shaped our idea of the Hollywood hero and Hollywood has never been the same since His story like his movies is full of passion bravado romance and desire Here at last is his definitive biography based on extensive and brand new research into every aspect of his career and written with fine understanding wit and verve *Box Office*, 1958

Annual Reports, Returns, Etc Great Britain. Railways, 1886 *A Richard Wright Bibliography* Kenneth Kinnamon, Joseph Benson, Michel Fabre, Craig Werner, 1988-01-13 Any future biographical work on Richard Wright will find this bibliography a necessity academic or public libraries supporting a program of black culture will find it invaluable and it belongs in any library supporting American literature studies Richard Wright has truly been well served Choice The most comprehensive bibliography ever compiled for an American writer this book contains 13 117 annotated items pertaining to Richard Wright It includes almost all published mentions of the author or his work in every language in which those mentions appear Sources listed include books articles reviews notes news items publishers catalogs promotional materials book jackets dissertations and theses encyclopedias biographical dictionaries handbooks and study guides library reports best seller charts the Index Translationum playbills and advertisements editorials radio transcripts and published letters and interviews The bibliography is arranged chronologically by year Each entry includes bibliographical information an annotation by the authors and information about all reprintings partial or full The index is unusually complete and contains the titles of Wright's works real and fictional characters in the works entries relating to significant places and events in the author's life important literary terminology and much additional information **Film World**, 1976 The Film Weekly, 1962 *Showmen's Motion*
