**The Secret Life of SENCOs** Adam Boddison, Maxine O'Neill, 2024-10-03

Only two roles are statutorily required in maintained schools: the Headteacher and the SENCO. And of these only the SENCO is required to be a qualified teacher, demonstrating just how vital SENCOs are. But being the SENCO can be a lonely role as there is typically only one per school, so it is not always easy to know how SENCOs in other schools are undertaking the role, and there is plenty of what SENCOs do that does not get seen. This book shares the wisdom and experience of individual SENCOs with the entire SENCO community. It provides practical insights on inclusion and specialist provision and reveals the professional inner secrets of SENCOs from the things SENCOs wish they had known at the outset of their career to the best and worst decisions they have made. The chapters explore alternatives to school exclusion, examine ways of using data to improve inclusion, and share the inspirational stories of individual learners with SEND. The Secret Life of SENCOs will transform how you deliver the SENCO role by combining the benefit of hindsight with the luxury of insight to provide the privilege of foresight. It is a valuable resource for both new and experienced SENCOs as
