I'm Sorry for My Loss Rebecca Little, Colleen Long, 2024-09-24 A must read investigation of reproductive health under fire in Post Roe America I m Sorry for My Loss delves into the abyss of pregnancy loss a topic that is misunderstood and full of guilt and shame written with emotional resonance and humor by authors who have both been through it themselves Rebecca Little and Colleen Long childhood friends who grew up to be journalists enlighten readers on the deep sometimes mystifying history behind how we view pregnancy and loss including The hidden links that bind abortion miscarriage terminations for medical reasons and stillbirth together How the history of pregnancy loss in America continues to affect our view of it today Recent cultural and political changes that are leading to dangerous medical care for women And much more The authors interviewed more than one hundred people who have lost a pregnancy along with dozens of historians linguists midwives doctors and therapists to create a comprehensive work that examines pregnancy loss from every angle from the inadequacy of the words we use to discuss pregnancy loss to the legal and medical maelstrom and the ways in which parents have created their own mourning rituals in a culture that lacks them I m Sorry for My Loss is an approachable and deeply readable book about a traditionally unapproachable topic For those who have experienced loss the book aims to comfort but not pander For everyone else it is a valuable resource to understand this particularly painful and often private loss and why conversations around pregnancy loss and women s healthcare are vital for everyone

Accountable Warren Valdmanis, Michael O'Leary, 2020-08-18 Uses a combination of great stories and thoughtful analysis to suggest that we must find a way to change the purpose of our corporations if we are to build a society that works for all of us Rebecca M Henderson John Natty McArthur University Professor at Harvard University Fresh balanced highly readable and deeply informed John Pepper former Chairman and CEO of P G Thought provoking and insightful Accountable offers a pragmatic and original roadmap to transform capitalism into a system that s more inclusive sustainable and just Dr Rajiv J Shah President of The Rockefeller Foundation Capitalism is failing and the tools we are relying on to fix it corporate social responsibility divestment impact investing and government control are only making things worse Chevron boasts about the 50 million per year it spends on renewable energy whilst it spends 200 times that on oil exploration Goldman Sachs touts its 10 000 Women initiative but its board ranks 358th out of the Fortune 500 for gender diversity and women earn 55% less than men do on average By focusing on corporations rather than people we ve put our faith in empty trends and brand focused window dressing Why should those responsible for our

current crisis be trusted to fix it In Accountable authors Michael O Leary and Warren Valdmanis offer a blueprint for everyone to take responsibility for using their economic power as consumers as investors as employees and as voters to trigger a fundamental shift away from an economy that is unethical unfair and destructive to our environment and institutions Their investigation cuts through the tired dogma of current economic thinking to reveal a hopeful truth if we can make our corporations accountable to a deeper purpose we can make capitalism both prosperous and good Trenchant and gripping this is an indispensable guide and call to action for citizens to take control of our economic power and hold corporations to a higher standard *The New (Ab)Normal* Yossi Sheffi, 2020-10-01 Much has been written about Covid 19 victims how scientists raced to understand and treat the disease and how governments did or did not protect their citizens Less has been written about the pandemic s impact on the global economy and how companies coped as the competitive environment was upended In his new book *The New Ab Normal* MIT Professor Yossi Sheffi maps how the Covid 19 pandemic impacted business supply chains and society He exposes the critical role supply chains play in helping people governments and companies to manage the crisis The book draws on executive interviews pandemic media coverage and historical analyses Sheffi also builds on themes from his books *The Resilient Enterprise* 2005 and *The Power of Resilience* 2015 to enrich the narrative The author paints a compelling picture of how the Covid 19 virus is changing many facets of human life and what our post pandemic world might look like This must read book helps companies to redefine their business models and adjust to a fast evolving economic landscape The stage is set In Part 1 of the book *What Happened* the author looks at how companies fought to mend the global economic fabric even as the virus ripped more holes in it Part 2 *Living with Uncertainty* views the crisis through a supply chain risk management lens derived from Yossi Sheffi s previous books This perspective shows how companies create corporate immune systems to quickly recognize and manage large scale disruptions The ongoing pandemic is creating a new normal in life work and education covered in Part 3 *Adjustment Required* Consumer fears about the contagion as well as government mandates require businesses in industries such as retail hospitality entertainment sports and education to create safe zones for workers and customers Many elements of the book especially in Part 4 *Supply Chains for the Future* show how the virus accelerated preexisting trends in technology adoption China was the epicenter of the pandemic it also was the first nation to be disrupted and recover Part 5 of the book *Of Politics and Pandemics* explains why reports that companies are abandoning China in favor of other offshore manufacturing centers do not reflect reality Fundamentally *The New Ab Normal* is about businesses trying to create a better future in a time of extreme uncertainty a point emphasized in Part 6 *The Next Opportunities* The outlook is not necessarily gloomy The advance of technology is accelerating a trend that can level the playing field between small and large companies Nimble small businesses are using a growing array of off the shelf cloud computing and mobile apps to deploy sophisticated technologies in their supply chains and customer interfaces *The New Ab Normal* Another new normal is working from home Remote

working enables individuals to live anywhere and companies to recruit talent from anywhere Education especially higher education faces a major disruption and major opportunity that is likely to shake the high cost model of in person education in favor of online or hybrid education Regrettably the book recognizes one trend accentuated by Covid 19 the growing inequality and anticipates that the new normal will be more stratified **The Business Week** ,2007-07 **Business Week** ,2008 **Riley Weaver Needs a Date to the Gaybutante Ball** Jason June,2023-05-23 The next LGBTQ young adult rom com from New York Times bestselling author Jason June author of Jay s Gay Agenda and Out of the Blue Femme gay teen podcaster Riley Weaver has made it to junior year which means he can finally apply for membership into the Gaybutante Society the LGBTQ organization that has launched dozens of queer teens careers in pop culture arts and activism The process to get into the society is a marathon of charity events parties and general gay chaos culminating in the annual Gaybutante Ball The one requirement for the ball A date Then Riley overhears superstar athlete Skylar say that gay guys just aren t interested in femme guys or else they wouldn t be gay Riley confronts Skylar and makes a bet to prove him wrong Riley must find a masc date by the time of the Ball or he ll drop out of the Society entirely Riley decides to document the trials and tribulations of dating while femme in a brand new podcast Can Riley find a fella to fall for in time Or will this be one massive and publicly broadcast femme failure This new novel from Jason June explores how labels can limit and liberate us and shows just what can happen when you bet on yourself *The Business Romantic* Tim Leberecht,2015-01-06 In this smart playful and provocative book one of today s most original business thinkers argues that we underestimate the importance of romance in our lives and that we can find it in and through business by designing products services and experiences that connect us with something greater than ourselves Against the backdrop of eroding trust in capitalism pervasive technology big data and the desire to quantify all of our behaviors The Business Romantic makes a compelling case that we must meld the pursuit of success and achievement with romance if we want to create an economy that serves our entire selves A rising star in data analytics who is in love with the intrinsic beauty of spreadsheets the mastermind behind a brand built on absence an Argentinian couple who revolutionize shoelaces the founder of a foodie oriented start up that creates intimate conversation spaces a performance artist who offers fake corporate seminars for real professionals these are some of the innovators readers will meet in this witty deeply personal and rousing ramble through the world of Business Romanticism The Business Romantic not only provides surprising insights into the emotional and social aspects of business but also presents Rules of Enchantment that will help both individuals and organizations construct more meaningful experiences for themselves and others The Business Romantic offers a radically different view of the good life and outlines how to better meet one s own desires as well as those of customers employees and society It encourages readers to expect more from companies to give more of themselves and to fall back in love with their work and their lives **Early American Life** ,1975 American Architect ,1884 **Official Gazette of the United States Patent Office** USA Patent Office,1896
