**Brand Turnaround: How Brands Gone Bad Returned to Glory and the 7 Game Changers that Made the Difference** Karen Post, 2012 How did Toyota Tylenol and Goldman Sachs bounce back from the brink of destruction This book reveals the answers and provides valuable lessons for anyone tasked with reviving a brand Applied Corporate Finance Aswath Damodaran, 1999 Convert Theory into Solutions A Corporate Finance Reality Check This hands on guide to corporate finance focuses on converting the theory and models in corporate finance into tools that can be used to analyze under stand and help any business Applied Corporate Finance provides a user s perspective to corporate finance by posing the three major questions that every business has to answer and then providing the tools and the analytical techniques needed to answer them The three questions are Where do we invest our resources The Investment Decision The first part of the book looks at how to assess risk and develop a risk profile for a firm convert this risk profile into a hurdle rate and develops the basic rules that need to be followed in estimating the returns on any investment How should we fund these investments The Financing Decision Firms generally can use debt equity or some combination of the two to fund projects This part of the book examines the relationship between this choice and the hurdle rate to be used in analyzing projects and presents ways in which the financing decision can be used to maximize firm value It also sets up a framework for picking the right kind of security for any firm How much cash can and should we return to the owners The Dividend Decision The third part of the book establishes a process that can be used to decide how much cash should be taken out of the business and in what form dividends or stock buybacks The final chapter in the book ties in the value of the firm to these three decisions and provides insight into how firms can enhance value In summary this is a book about coming up with real solutions to real problems using real time data on real companies Sustainable Financial Investments Brian Bolton, 2016-04-29 Is it possible for an investment to be good for a firm s profitability without also being good for the environment employees or community Bolton connects these seemingly disparate ideas to show how to incorporate economic costs benefits cash flows and risks into the evaluation of any type of investment **Schweizer Münzblätter** , 1989 Profit from the Core Chris Zook, James Allen, 2010-02-05 When Profit from the Core was published in 2001 it became an international bestseller helping hundreds of companies find their way back to profitable growth after the bursting of the Internet bubble The 2007 global financial meltdown reaffirmed the perils of pursuing heady growth through untested strategies as firms in industries from finance to retailing to automobiles strayed too far from their core businesses and suffered the consequences In this updated edition of Profit from the Core authors Chris Zook and James Allen show that a renewed focus on the core is more critical than ever as firms seek to rebuild their competitive advantage coming out of the downturn and that a strong core will be the foundation for successful expansion as the economy recovers Based on more than ten years of Bain Company research and analysis and fresh examples from firms responding to the current downturn the book outlines what today s executives and

managers need to do now to revitalize their core identify the next wave of profitable growth and build on it successfully Zook and Allen explain how companies can Develop a strong well defined core and use it to establish a leadership position Follow the golden rule of strategy discourage competitors from investing in your core Assess whether your core is operating at its full potential Uncover hidden assets in your core that provide the seeds for new growth Find a repeatable formula to apply core business strengths in adjacent markets Building on powerful and proven ideas to meet today s formidable business challenges Profit from the Core is the back to basics strategy field guide no manager should be without *Forum* ,1983
