The Organizer's Guide to Architecture Education Kirsten Day, Peggy Deamer, Andrea Dietz, Tessa Forde, Jessica Garcia Fritz, Palmyra Geraki, Valérie Lechêne, 2024-07-24 The Organizer's Guide to Architecture Education serves as a timely call to action for transforming architecture education to meet the monumental environmental and social challenges of our time. Written by a collective of eight educators, practitioners, and organizers and structured in three parts, the book considers organizing across four scales of architecture education and reorients architecture toward stewarding the planetary commons. It speaks to students, faculty, and administrators in architecture schools as well as professional architects and built environment practitioners who recognize the need to expand and decenter the discipline. Readers will gain critical understandings and skills for reimagining architectural pedagogy, practice, and relations to power structures. Empowered by this knowledge, readers will be motivated to contribute actively to and drive systemic change within the field. Illuminated with how-to methods from power mapping to conversation tactics and case study precedents, the book catalyzes a collective redefinition of architecture as a vital player in building a socially just and ecologically regenerative future. [The Principal's Guide to School Budgeting](#) Richard D. Sorenson, Lloyd M. Goldsmith, 2024-04-12 Align your school budget with your vision for student achievement. Since 2006, The Principal's Guide to School Budgeting has been a best seller supporting thousands of principals in navigating the complex process of school budgeting. This fourth edition hones in on the message that a school budget should be a reflection of the school's vision for student growth, an open culture, and a positive school climate. This edition offers new information on how national and state reform and political practices affect school allocations and emphasizes the need for appropriate budget visioning, planning, analysis, and needs assessment. Covering the budgeting process, effective budgeting practices, accounting, and auditing procedures, and building the school budget within a collaborative decision-making context, this comprehensive guide includes in-chapter vignettes and discussion questions, case study applications, and experiential exercises. A budget development project. New discussion of technology's impact on budgetary practices, phishing, scams, and fundraising. The Principal's Guide to School Budgeting is an essential resource for practicing and aspiring school administrators who want to master their accounting and auditing procedures. By effectively managing the school budgeting process, principals can contribute to improved student achievement and strengthen connections with the school community. **Ideas for 21st Century Education** Ade Gafar Abdullah, Ida Hamidah, Siti Aisyah, Ari Arifin Danuwijaya, Galuh Yuliani, Heli S.H.
