## **Scripture Alone 21 Reasons To Reject Sola Script:**

**Scripture Alone?** Joel Peters,1999-12 Here are the classic reasons why the Protestant dogma of Sola Scriptura Scripture Alone is absolutely wrong is unscriptural man made and prevents Protestants from ever having a firm doctrinal foundation The book shows that Christ gave us Tradition and the teaching authority of His Church the first Christians did not have a complete Bible and Scripture itself states that it is insufficient of itself calling the Church and not the Bible the pillar and ground of the truth 72 pgs PB *Anyone Can Be Saved* David L. Allen,Eric Hankins,Adam Harwood,2016-09-15 *Anyone Can Be Saved* articulates a biblical theological explanation of the doctrine of salvation in light of the rise of Calvinistic theology among Southern Baptist churches in the United States Ten scholars pastors and leaders advocate for the ten articles of the Traditional Statement by appealing to Scripture the Baptist Faith and Message and a variety of biblical theological and philosophical writings Although many books address the doctrine of salvation these authors consciously set aside the Calvinist Arminian presuppositions that have framed this discussion in western theology for centuries The contributors are unified in their conviction that any person who hears the gospel can be saved a view that was found among earlier Baptists as well as other Christian groups today This book is not meant to be the final word on Southern Baptist soteriology but is offered as a peaceable contribution to the wider conversation on the doctrine of salvation Scripture Alone? Joel Peters,1999-12 Here are the classic reasons why the Protestant dogma of Sola Scriptura Scripture Alone is absolutely wrong is unscriptural man made and prevents Protestants from ever having a firm doctrinal foundation The book shows that Christ gave us Tradition and the teaching authority of His Church the first Christians did not have a complete Bible and Scripture itself states that it is insufficient of itself calling the Church and not the Bible the pillar and ground of the truth *To All the Nations* Kenneth Mtata,Craig Koester,2016-02-01 In his pastoral and theological reflections Martin Luther always sought faithfully to discern the Word of God from the Scriptures Luther drew on the Gospel of Matthew when developing edifying sermons as well as teasing out valuable ethical insights for the Christian engagement in society While his immediate audience was in Wittenberg the Gospel of Matthew has continued to be a resource for the church s mission In this collection of essays internationally renowned theologians reflect on the ongoing reception of the Gospel of Matthew from the Reformation until today and how in light of the Lutheran interpretive traditions it remains a valuable resource for the church as it seeks to respond to contemporary concerns in its mission to the whole world A History of Biblical Interpretation: The Medieval through the Reformation periods Duane Frederick Watson,2003 *The confutation of Tyndale's answer. pt. 1. The text, books I-IV* Saint Thomas More,1963 Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *On Classical Trinitarianism* Matthew Barrett,2024-10-01 Motivated by the longstanding need to retrieve the classical doctrine of the Trinity theologian Matthew Barrett brings together over forty Protestant Roman Catholic and Eastern Orthodox scholars in one ecumenical volume demonstrating that Nicene orthodoxy can endure in the modern world and unite the church

catholic      **Beyond Foundationalism** Stanley James Grenz, John R. Franke, 2001 What role does scripture play in the task of the church What value do past theological constructs offer today How does culture affect theological reflection In this book the authors move past the Enlightenment foundational approach to offer a methodology for doing theology in a postmodern age Writing for readers of all denominations they propose a new theological method that uses three sources the Spirit speaking authoritatively through the biblical text tradition providing a historical interpretative framework and culture as the context for constructive theological reflection This method they argue fosters a Christian theology that acknowledges the whole of God Father Son and Spirit takes full account of the experience of the faith community and is future oriented
