McCoubrey,2012-05-24 Fifteen year old Caleb Mackenzie doesn't put up a fight when his father announces the family is moving to St. Peter's Nova Scotia. In fact, Caleb looks forward to a fresh start in the scenic little area. Their new home, Wakefield House, sports large rooms, a big barn where Caleb can work on cars, and acres of forested land for privacy. But it also has a troubling past. In 1943, a boy who lived in the home vanished. Caleb hears the stories about what may have occurred so many years ago, but he passes them off as folklore until one day he's alone in the woods and hears the faintest whisper. Did someone in the distance just call his name? And what about his discovery in the hayloft? Could there be something to those old stories after all? The initial need to dismiss everything as coincidence becomes a soul-searching journey into the past where Caleb is determined to uncover the truth about what really happened to the missing boy. And in the process, he learns even more about himself and what's really important. *Journals of the House of Commons of Canada* Canada. Parliament. House of Commons,1891
