Strange Things Are Happening Richard Norris, 2024-03-21 The rainbow reaches right across the sky for miles and miles and has landed right in the middle of our field My mother Alison is standing at the beginning I m sure it s a beginning rather than the end as there s no pot of gold in sight The point where everything forms or perhaps is not quite formed as yet That s my favourite place A place alive with possibility Strange Things Are Happening begins with the wonder of that rainbow and continues with many escapades down the rabbit hole From punk and the beginnings of the DIY scene through Acid House psychedelia the rise of electronic dance music and much more Richard Norris has been involved in countless countercultural revolutions From misadventures in Amsterdam with Timothy Leary with Sun Ra at customs and Shaun Ryder in Joe Strummer s beaten up Cadillac in Tijuana to his extraordinarily influential output in The Grid and Beyond The Wizards Sleeve Richard Norris story is one of collaboration and community fuelled by relentless psychedelic curiosity Strange Things Are Happening is a record of a life lived in the moment forever in thrall to discovery exploration and innovation the search for what lies at the other end of that rainbow

The Rise Of Divine Feminine Dr. Pretty Thakur, 2018-02-12 The Rise Of Divine Feminine is a dedication to all warriors of the light who sacrificed their lives for bringing forward the truth about what is so wrong in the world today The problems we face today collectively in the world are not the big things they are very small issues buried deep in the psyche of the human mind Our failure to understand this has led to the root of all our problems in the outer world This book attempts to bring to light these small issues of our mind and help us understand how the mind can be either our most dangerous enemy or our most dedicated friend Through spirituality and scientific support we can reverse this imbalance This book is a soft knock on our minds to wake us and show us who we really are and seize our power by discovering the wonders of our human mind and to reclaim our position as God s most wonderful creation The Rise of Divine Feminine is a book for today s new generation It is an initiative to understand the root of all our human problems and upgrade our knowledge on this subject to create legendary humans
