 Educational Rankings Annual is useful for students parents and school faculty Also administrators of libraries and
 educational institutions use rankings to defend budgets justify new positions obtain government funding and attract
 philanthropic support The annually updated resource presents more than 4 000 national regional and international lists and
 rankings compiled from hundreds of respected sources The entries in Rankings include a description of the ranking
 background information on criteria for establishing the hierarchy additional remarks about the ranking the complete or
 partial if extensive ranking and source citations if necessary The Accelerating Decline in America's High-skilled
Workforce Jacob F. Kirkegaard,2007 As a result in the coming decade America could face broad and substantial skill
 shortages and will increasingly need foreign high skilled workers Meanwhile as America debates the merits of immigration
 reform other rich nations have rapidly revamped their high skilled immigration systems making the United States one of
 many destinations for high skilled immigrants For America to regain its leadership in global talent it must urgently reform its
 high skilled immigration programs particularly the H 1B work visa and legal permanent resident green card programs US
 policymakers should in the face of accelerating global economic integration make high skilled immigration an essential
 component of their broader foreign economic policies The aim must be to ensure a continuous inflow of required high skilled
 workers to the United States in a manner that enjoys broad domestic political support BOOK JACKET Social Science
