Internet Memes Elian Wildgrove,AI,2025-03-29 Internet Memes explores the pervasive influence of internet memes on contemporary culture examining their evolution propagation and impact It reveals how these seemingly simple image macros have become a powerful force in shaping humor driving conversations and reflecting the collective consciousness of the digital age Memes transcend traditional communication barriers enabling rapid dissemination of ideas and influencing perceptions globally The book highlights their capacity to shape opinions and even impact political discourse demonstrating their role as both mirrors and modifiers of social norms The book approaches the subject with a mixed methods analysis incorporating qualitative analysis of meme content quantitative analysis of meme sharing patterns and case studies It traces the evolution of memes from biological metaphors to digital phenomena exploring viral spreading remixing and adaptation Later chapters delve into the sociological impacts of memes analyzing their role in shaping online communities and influencing political discourse Finally it examines the psychological impacts discussing how memes influence individual perceptions shape emotional responses and contribute to online identities culminating in an ethical

discussion of meme usage *Meme Culture* Glen Perslow, AI, 2025-05-05 Meme Culture explores the profound impact of internet memes arguing they are more than just fleeting jokes they represent a significant shift in digital communication and cultural expression The book dissects the anatomy of memes examining their various formats and how they achieve viral spread through social media and online communication It also investigates how memes function as a modern form of satire offering social commentary and political critique on events and cultural trends The book traces the evolution of meme culture from its theoretical origins to its current widespread use incorporating sociological theories of humor and communication A key aspect is its focus on the satirical function of memes uncovering the deeper cultural and political messages embedded within them You will learn how memes can shape public opinion influence brand marketing and even drive social movements Structurally the book progresses from defining core meme concepts and analyzing their evolution to exploring their satirical elements and ethical considerations It uses a mix of quantitative data and qualitative analysis to support its arguments By providing a comprehensive understanding of meme culture this book equips readers with insights applicable to various fields from marketing to political strategy while also addressing the challenges of misinformation and ethical dissemination The Journalist's Toolbox Mike Reilly, 2024-01-05 Focusing on the how and why of digital reporting this interactive textbook equips readers with all the skills they need to succeed in today's multimedia reporting landscape The Journalist's Toolbox is an extension of the JournalistsToolbox.ai website which provides links to tools organized by beats and topics as well as social channels a newsletter and more than 95 training videos relevant to journalists This handbook offers a deep dive into these digital resources explaining how they can be manipulated to build multimedia stories online and in broadcast It covers all the basics of data journalism fact checking using social media editing and ethics as well as video photo and audio production and storytelling The book considers digital journalism from a global perspective including examples and interviews with journalists from around the world Packed full of hands on exercises and insider tips The Journalist's Toolbox is an essential companion for students of online digital journalism multimedia storytelling and advanced reporting This book will also make an ideal reference for practicing journalists looking to hone their craft This book is supported by training videos interactive charts and a pop up glossary of key terms which are available as part of an interactive e book or online for those using the print book Conversing in the Metaverse Jieun Kiaer, 2024-07-25 How do metaverse technologies change how we communicate with each other This book explores how existing metaverse technologies affect our communication both verbal and non verbal as well as the ramifications of these effects Communication is central to the human experience and how we currently communicate and will communicate can affect our sense of identity and relationships with others which can have huge long term societal repercussions Utilising methods of digital ethnography and linguistic landscape this book takes an in depth look at what exactly the metaverse is or will be and tracks the technological and societal trends that surround it To do so it questions what differentiates the metaverse from earlier connected virtual worlds like World of Warcraft or Second Life

and features extracts from interviews with the users and developers of current metaverses such as Roblox Minecraft and Gather town It also investigates the impact of the pandemic in changing and accelerating how we communicate in virtual spaces

Populism, Propaganda, and Political Extremism Adam G. Klein, 2025-11-05 At its core this book is about political anger how it is cultivated where it is taking us and how to address it Populism Propaganda and Political Extremism Building the Rage Machine explores the manufacturing of populist narratives and deployment of propaganda that together produce a state of outrage and disunity in American politics Through chronicling these subversive communications and the architects and influencers behind them Adam Klein expertly deconstructs the processes that sow national division Today these divisive campaigns empower political extremists as they erode democratic norms As this book uncovers the forms and functions of political ragemaking it also offers concrete prescriptions for addressing the hostile partisanship that has consumed the national conversation Here history will serve as a critical guide Counteractive narratives that emerged out of prior eras of destructive demagogues like Joseph McCarthy and George Wallace be explored for their neutralizing potential The book also faces down some of the most difficult questions such as how we reach the true believers who are not really interested in resolution and how we preserve the First Amendment while combating political extremism Developed with the student in mind the book s three part focus on populism propaganda and political extremism offers a framework for understanding the forces behind our fractured politics and the strategies that may counter them
