Sowers, 2012-08-14 A solid theory to practice guide to contemporary mezzo and macro social work Written by a renowned team of scholars Social Work Practice with Groups Communities and Organizations focuses on the contemporary theory and practice of social work Each chapter delves deeply into the key theoretical considerations surrounding a particular practice area exploring the clinical implications of each Spanning the full range of both mezzo and macro practice areas the authors thoroughly look at the assessment of and interventions with group community organizational and institutional settings The most authoritative book in this field Social Work Practice with Groups Communities and Organizations features A focus on evidence based approaches to assessment and intervention for each practice area discussed Comprehensive coverage of the most important new and emerging practice technologies in mezzo and macro social work Current and emerging demographic social political and economic trends affecting mezzo and macro practice An array of pedagogical aids including Key Terms Review Questions for Critical Thinking and Online Resources Content closely aligned with social work accreditation standards EPAS Providing a solid review of the entire scope of contemporary mezzo and macro social work practice Social Work Practice with Groups Communities and Organizations is both an indispensable educational text for students and a valuable working resource for practitioners who work with groups communities and organizations of all sizes

Reflections on Community Organization Jack Rothman, 1999 This book addresses fundamental concepts and dilemmas of community organization practice It contains reflections and analysis by prominent figures in community organization scholars teachers and activists who have made pioneering and seminal contributions to the field Fourteen leaders provide reflective narratives and summarize their experience and observations Their autobiographical accounts of lives and endeavors during the second half of the twentieth century are based on the verities of direct engagement To broaden and enrich the discussion professionals from several allied disciplines provide analytic commentaries reflecting on the reflections

Comprehensive Handbook of Social Work and Social Welfare, Social Work Practice , 2008-03-31 Comprehensive Handbook of Social Work and Social Welfare Volume 3 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

Activism and Social Change Eric Shragge, 2013-05-14 Drawing on over thirty years of experience in community development practice Eric Shragge offers a unique historical perspective on activism linking various forms of local organizing to the broader goal of fundamental social change This new edition places contemporary community organizing in

a post 9 11 context and includes a discussion of national and international organizing efforts in the Middle East in the Occupy movement in European resistance to austerity measures and in recent student protests in Quebec A new chapter length case study covering Shragge s long term involvement with the Immigrant Workers Centre in Montreal offers one of the few English language discussions of community organizing in Quebec Activism and Social Change is an excellent core or supplementary text in courses on social movements community organizing or community development *Social Welfare Programs and Social Work Education at a Crossroads* Antonio López Peláez, Annaline Keet, Chung Moon Sung, 2024-07-17 This book explores a key phenomenon that has been accelerated by the COVID 19 crisis namely the crossroads at which social welfare professionals find themselves This is a crossroads where on the one hand there is an accelerated digitalization process and a reorganization of social programs while on the other hand we are confronted by the basic challenge of designing social policies and their methods of evaluation that is the generation of robust data that will allow better evaluation of social projects and programs Rigorously analyzing the crossroads at which social welfare programs find themselves and the new demands for the education of professionals involved in social welfare programs several key issues can be discerned the theoretical debate surrounding the changes brought about by the COVID 19 pandemic and the process of redefining globalization in which we are immersed the challenges to be met by welfare programs and the good practices that are being implemented the key issue of how to generate more robust data in the field of social services and social protection how to increase the competencies of professionals through education in schools of social work Providing 15 newly written chapters drawn from both the global north and the global south it offers a set of recommendations to address the challenges of inequality and social inclusion in the coming years It will be of interest to all academics students and practitioners working in the fields of social work social welfare and social development The Society and Population Health Reader Alvin Richard Tarlov, Robert F. St. Peter, 2000 Sure to provoke widespread debate and controversy The Society and Population Health Reader brings to professional academic and general readers the most important research findings and the quite dramatic implications for public policy of this fascinating new field **Direct Social Work Practice** Dean H. Hepworth, Ronald H. Rooney, Jo Ann Larsen, 2002 This text prepares social work students for effective work in the field through proven learning experiences that are as close to real life practice as they can get from a textbook The book has long been praised for the rigor of its theory It is regarded as the classic and best source for helping students learn direct social work practice skills The book integrates the major theories and skills that direct social work practitioners need to understand and master Consisting of four parts the book begins by identifying the mission of social work its values and knowledge base The authors then differentiate generalist from direct practice and explore roles of direct practitioners Common elements amongst diverse theorists are then examined while key intervention strategies and various client population and practice settings are presented Specifically Part One provides the foundational values and knowledge base material Part Two is devoted to the

beginning phase of the helping process Part Three addresses the middle phase goal attainment strategies and Part Four clarifies the termination phase of direct practice

Community-Based Participatory Research for Health Meredith Minkler,Nina Wallerstein,2002-11-18 Meredith Minkler and Nina Wallerstein have brought together in one important volume a stellar panel of contributors who offer a comprehensive resource on the theory and application of community based participatory research Community Based Participatory Research for Health contains information on a wide variety of topics including planning and conducting research working with communities promoting social change and core research methods The book also contains a helpful appendix of tools guides checklists sample protocols and much more *Global Migration, Social Change, and Cultural Transformation* Emory Elliott,Jasmine Payne,Patricia Ploesch,2007-11-15 The essays in this collection work toward a larger goal of separating globalization from strictly economic considerations The authors instead look at globalization as a force that produces profound social and cultural consequences including migration struggles for social change and the transformations of aesthetic practices

Transforming Or Reforming Capitalism John Loxley,2007 Growing worldwide interest in community economic development has led to a blossoming of how to manuals as well as analyses of co operatives development corporations gender financing etc Yet in all this discussion very little is said about the basic objective of CED Is it designed to fill holes left by capitalism or is it intended to replace it There is equally little on a theory of CED This book draws on several disciplines particularly economics sociology and political studies to assess the state of CED theory and to identify implicit issues for building that theory It emphasizes the necessity to draw theoretical insights from each discipline in the process howing the efficacy of interdisciplinary approaches It concludes with a discussion of both future theoretical directions and of what existing theory has to say about achieving a transformative CED
