Intermittent Fasting Tok Trending In The Us:

The Business of Aspiration Ana Andjelic, 2020-10-26 The Business of Aspiration is about how consumers shifting status symbols affect business and brand strategy These changing status symbols like taste aesthetic innovation curation or environmentalism create the modern aspirational economy In the traditional economy consumers signaled their status through collecting commodities Instagram followers airline miles and busy back to back schedules By contrast in the aspirational economy consumers increasingly convey status through collecting knowledge taste micro communities and influence This new capital changes the way businesses and entire markets operate and yet the modern aspirational economy is still an under explored area in business and culture The Business of Aspiration changes that In this book marketers will find examples analyses and tools on how brands can successfully grow in the modern aspirational economy The Business of Aspiration answers questions like what is good for my brand long term how is this business decision going to impact our culture or what are the main objectives of our growth Marketers will learn to shift their brand narrative and competitive strategy to create and distribute new brand symbols and to ensure that their brand s products and services create both monetary and social value

The Rise of the Shame Society Marcel H. Van Herpen, 2022-06-01 American society is often characterized as a guilt culture as opposed to non Western shame cultures But is this distinction still valid today Through examples like shaming penalties in criminal law fat shaming and cyberbullying on the social media The Rise of the Shame Society America s Change from a Guilt Culture into a Shame Culture shows how shame is increasingly invading our lives leading to feelings of humiliation and depression Marcel Van Herpen identifies three causes of this phenomenon new childrearing methods the advent of the social media and a transformation of Western individualism He weighs the arguments for and against a shame society and concludes that a guilt centered approach remains preferable Although shame increasingly permeates everyday life the author argues that its rise is not a fatality He emphasizes that shame is a dynamic phenomenon and that one can observe trends which lead to an increase of shame as well as to its decrease Examples of the latter are a growing sensitivity to the pain caused by anti Black racism the decrease of anti LGBTQIA prejudices and efforts to end the stigmatization of people with disabilities Along with exploring its increase The Rise of the Shame Society demonstrates that there are ways to overcome shame
