One of the Red Sox's biggest moments came in 1918 when they won a World Series championship. They had never won a World Series championship before. They were believed in something called the "Curse of the Bambino" started in 1919 when the Red Sox traded Babe Ruth to the New York Yankees. After that, they won many championships, but the Red Sox kept losing.

In 2004, everything changed. The Red Sox won the American League Championship Series (ALCS) against the Yankees. The Yankees were the team they had been playing for so long. The Red Sox won 4 games to 3, and no team had ever come back from a 3-0 deficit in the World Series. They won four straight games in the World Series, and the Red Sox didn't give up! They were, beating the Yankees and moving on to the World Series.

In the World Series, the Red Sox played the St. Louis Cardinals. They won four straight games in the World Series since 1918! Red Sox fans celebrated. The "curse" was finally broken!

THE LOS ANGELES DODGERS: A TEAM THAT CHANGED THE GAME

Read the text and answer the questions below in complete sentences.

The Los Angeles Dodgers are one of the most popular and successful teams in Major League Baseball. But before they became famous in California, the Dodgers started out in the city of Brooklyn, New York. The team was founded in the 1880s, and for many years they were known as the Brooklyn Dodgers. In 1958, the team made a big move across the country to Los Angeles, where they have been ever since.

The Dodgers play their home games at Dodger Stadium, which opened in 1962. It's one of the oldest and most famous stadiums in baseball. From the public train to the view of the mountains, Dodger Stadium has become a favorite place for fans to watch the game.

One of the most important moments in baseball—and American—history happened because of the Dodgers. In 1947, the team made history by signing Jackie Robinson, the first Black player in Major League Baseball in the modern era. At the time, the league was still segregated, meaning Black players were not allowed to play in the MLB. Jackie's courage, talent, and strength helped break the color barrier and change sports forever. Today, every MLB team honors Jackie Robinson on April 15th, when all players wear his number, 42.

The Dodgers have won multiple World Series championships, including three in 1955 (as the Brooklyn Dodgers), and more recently in 1955, 1956, and 2020. Their 2020 win was especially exciting because it ended a 22-year championship drought.

Over the years, the team has had many amazing players, including Sandy Kousser, one of the best pitchers of all time, and more recent stars like Clayton Kershaw, Mookie Betts, and Freddie Freeman. The Dodgers are known for being competitive, well-organized, and loved by fans all over the world.

The team's mascot is named "Dodgy", a fun and energetic bear who represents the team's Brooklyn roots. Although the mascot is named, it helps bring excitement and fun to the ballpark, especially for younger fans.

The Los Angeles Dodgers are more than just a baseball team—they are a part of American history. From breaking barriers to winning championships, the Dodgers have inspired generations of fans with their courage, talent, and teamwork.
