Gaar, 2015-04-25 Take an up front and behind the scenes look at The Doors Although their career with their wild and unpredictable frontman lasted barely six years The Doors are one of the most mind blowing bands in rock history Formed in Los Angeles in 1965 by UCLA film school acquaintances Jim Morrison and Ray Manzarek the band became famous for a sound driven by powerful keyboards and haunting stream of consciousness lyrics Rounded out by guitarist Robbie Krieger and drummer John Densmore the quartet released a string of six highly successful studio albums Jim Morrison's death at age 27 didn't stop him or the band from joining the rock world's pantheon The Doors The Illustrated History is an extensive chronological examination of the band's career with Morrison a period which though brief suffers no shortage of tales and anecdotes as well as their short stint as a trio post Morrison and their more recent collaborations with the likes of Ian Astbury Perry Farrell Scott Weiland and Skrillex Candid concert images revealing offstage photographs and images of memorabilia like picture sleeves gig posters ticket stubs buttons and more comprise over 250 illustrations A roster of respected music journalists insightful analyses of each of the band's studio releases completes this in depth up close look at this intense group of musicians and the legendary music they created No fan will want to miss it **How to Run a Small**

Box Office Kirsten Beck, 1980 This is the first in an Ooba monograph series providing practical assistance for Off Off Broadway 008 theatres This booklet gives basic procedures for operating an Off Off Broadway box office serving a general admission theatre with 100 seats or less Small music dance multi media performance groups and community arts organizations will also find the information given here helpful Topics covered include tickets physical set up reservations sales and box office closing While the main purpose of any box office is to distribute tickets it must also serve as a control to make possible an accurate accounting system for tickets purchased and money received In addition the box office is a potent public relations tool for any theatre it is often the only place where the audience meets a personal representative of the theatre If your box office is well run you can quickly answer these questions 1 Why is there so little cash to deposit when the reservation book indicated the house was nearly sold out last night 2 How much money did we take in last night Last week

During the last production Last season 3 What percentage of this season s ticket sales was full price How does that compare to last season s figures 4 What percentage of the audience buys tickets with Theatre Development Fund TDF Vouchers see footnote p 38 Does that have mailing list implications 5 Are we fulfilling City and State regulations 6 Do we have accurate records for an auditor funding source or legal authority that demonstrate the existence of adequate procedures and controls
