Preview of United States Supreme Court Cases ,1983 Antitrust Law Charles J. Goetz, Fred S. McChesney, 2002

This casebook presents a real world orientation of antitrust law reflecting the authors own practical experience in this field The authors emphasize lower court rulings over those of the Supreme Court since in much of modern antitrust practice lower courts supply the relevant precedents on which disputes actually hinge Additionally this casebook presents sample documents such as cartel agreements contracts complaints and jury instructions students with a broad perspective of antitrust law and a roadmap for the course Economic principles are presented in context rather than in a single chapter Graphics are used to help illustrate complex legal and economic concepts *Cases and Materials on Trade Regulation*

Milton Handler, 1990 **Selected Antitrust Cases** Irwin M. Stelzer, Howard P. Kitt, 1986 Explains with interesting concrete problems the manner in which economic theory is reflected in antitrust policy The leading decisions covered here have been edited to manageable proportions but retain the original language of the court Only those cases are given that truly represent landmark opinions The author explains the law as it stands now and provides information on the historical development of the attitude of the courts on the various legal economic issues In addition the author also includes dissenting opinions in order to provide a better understanding of the inherent complexities of the economic issues faced by the courts ISBN 0 256 03222 X 18 95 **Entertainment Law Reporter** ,1984
