An Introduction to
the Concept,
Scope,
and
Themes

EDITED BY RANABIR SAMADDAR

SOUTH ASIAN PEACE STUDIES: VOLUME 1

Peace Studies An Introduction To The Concept Scope And Themes

Abdulrahim P. Vijapur

Peace Studies An Introduction To The Concept Scope And Themes:

Peace Studies Ranabira Samāddāra, 2004 This book addresses the concept and definition of peace and the purpose and meaning of peace studies from a regional perspective the book challenges the narrow approach that limits peace studies to studies of conflict resolution or conflict management It draws attention to the social and political realities of the colonial and post colonial world and the need for peace with justice Journal of Peace Research The exciting new Series South Asian Peace Studies has been conceived to showcase significant writings on peace studies from and about the region The emphasis will be on essays which demonstrate the importance of changing direction in various frameworks from conflict management to peace from national security to human security from revenge to reconciliation and from rights to justice This the inaugural volume in the Series introduces the concept scope and main concerns of peace studies The 19 essays are grouped in three broad sections The first discusses definitions of peace studies and its main themes The second section looks at recent cases of conflict in the region while the third considers new paths to conflict resolution based on dialogue and justice

Friedensforschung, Konfliktforschung, Demokratieforschung Gertraud Diendorfer, Blanka Bellak, Anton Pelinka, Werner Wintersteiner, 2016-01-08 Angaben zur beteiligten Person Dressel geb 1964 in Siegen BRD Studium der Geschichte und Politikwissenschaften in Berlin West und Wien

Peace and Conflict Studies Anindya Jyoti Majumdar, Shibashis Chatterjee, 2020-08-09 This volume explores how we theorize politicize and practice peace and conflict discourses in the social sciences As concepts peace and conflict are intricately interwoven into a web of complementary discourses where states and other actors are able to negotiate deliberate and arbitrate their differences short of the overt and covert use of physical violence The essays in this volume reflect this eclecticism they reflect on concerns of contemporary conflicts in world politics the dissection of the ideas of peace and power the way peace studies join with global agencies peace and conflict in connection to geopolitics and identity the domestic basis of conflict in India and the South Asian theatre including class social cleavages and gender Further they also process elements like globalization media communication and films that help us engage with the popular tropes and discursive construction of the reality that play critical roles in how peace and violence are articulated and acted upon by the elites and the masses in societies This volume will be of great interest to scholars and researchers of political science international relations theory peace and conflict studies public policy and area studies It will also be a key resource for bureaucrats policy makers think tanks and practitioners working in the field of international relations

Cultures of governance and peace J. Peter Burgess, Oliver P. Richmond, Ranabir Samaddar, 2016-09-10 This volume brings together insights which look at the intersection of governance culture and conflict resolution in India and the European Union

Peace in World History Peter Stearns, 2014-04-03 In Peace in World History Peter N Stearns examines the ideas of peace that have existed throughout history and how societies have sought to put them into practice Beginning with the status of peace in early hunter gatherer and agricultural societies and continuing through

the present day the narrative gives students a clear view of the ways people across the world have understood and striven to achieve peace throughout history Topics covered include Comparison of the pax Romana and pax Sinica of Rome and China Concepts of peace in Buddhism Christianity and Islam and their historical impact The place of peace in the periods of expanding empires The emergence starting in the 19th century of formal schemes to promote peace amid increasingly destructive technologies for warfare Moving away from the view of history as a series of military conflicts Peace in World History offers a new way of looking at world history by focusing on peace Showing how concepts of peace have evolved over time even as they have been challenged by war and conflict this lively and engaging narrative enables students to consider peace as a human possibility

Peace Antony Adolf, 2013-05-08 How peace has been made and maintained experienced and imagined is not only a matter of historical interest but also of pressing concern Peace A World History is the first study to explore the full spectrum of peace and peacemaking from prehistoric to contemporary times in a single volume aimed at improving their prospects By focusing on key periods events people ideas and texts Antony Adolf shows how the inspiring possibilities and pragmatic limits of peace and peacemaking were shaped by their cultural contexts and in turn shaped local and global histories Diplomatic pacifist legal transformative non violent and anti war movements are just a few prominent examples Proposed and performed in socio economic political religious philosophical and other ways Adolf s presentation of the diversity of peace and peacemaking challenges the notions that peace is solely the absence of war that this negation is the only task of peacemakers and that history is exclusively written by military victors Without the victories of peacemakers and the resourcefulness of the peaceful he contends there would be no history to write This book is essential reading for students scholars policy shapers activists and general readers involved with how present forms of peace and peacemaking have been influenced by those of the past and how future forms can benefit by taking these into account

The Book Review ,2005 **Bulletin of the School of Oriental and African Studies, University of London** University of London.
