

The soldier above all others prays for peace, for it is the soldier who must suffer and bear the deepest wounds and scars of war.

Douglas MacArthur

Peace War A Soldiers Life

Christopher Wordsworth

Peace War A Soldiers Life:

The Story of a Soldier's Life; Or, Peace, War, and Mutiny John Alexander Ewart, 1881 **A Soldier's Life in War and Peace** A. S. Naravane, 2004 This book chronicles the life and times of Major General A S Naravane both in peace and war He joined the Indian Military Academy Dehra Dun in 1936 and was commissioned in 1938 He was amongst the first few who were accepted for the Indian Artillery which till 1934 was offered exclusively by the British His early days in the regiment were one of very hard work and training The profession of arms was a very highly prized occupation and all was done to make the young officers worthy of being in it The training methods then are described with much pride and nostalgia Naravane went to war as a captain and his artillery regiment the 2nd Field soon saw action against the then invincible Germans under Rommel At Bir Hachiem he was taken prisoner The trials and tribulations as a prisoner are worth reading especially for the young officer as they show that whatever the conditions the first duty of every prisoner of war is to try and escape Liberty may be lost but courage and pride in one's regiment never The transition from the British Indian Army to a national army is brought out frankly but with restraint His career and rise to the post of Director of Artillery is in a way the conflict of the old and the new that every pre war officer had to face Dust jacket The Story of a Soldier's Life; Or, Peace, War and Mutiny John Alexander EWART, 1881 **The Imperial Russian Army in Peace, War, and Revolution, 1856-1917** Roger R. Reese, 2019-11-21 In December 1917 nine months after the disintegration of the Russian monarchy the army officer corps one of the dynasty's prime pillars finally fell a collapse that in light of World War I and the Bolshevik Revolution historians often treat as inevitable The Imperial Russian Army in Peace War and Revolution 1856 1917 contests this assumption By expanding our view of the Imperial Russian Army to include the experience of the enlisted ranks Roger R Reese reveals that the soldier's revolt in 1917 was more social revolution than anti war movement and a revolution based on social distinctions within the officer corps as well as between the ranks Reese's account begins in the aftermath of the Crimean War when the emancipation of the serfs and consequent introduction of universal military service altered the composition of the officer corps as well as the relationship between officers and soldiers More catalyst than cause World War I exacerbated a pervasive discontent among soldiers at their ill treatment by officers a condition that reached all the way back to the founding of the Russian army by Peter I It was the officers refusal to change their behavior toward the soldiers and each other over a fifty year period Reese argues capped by their attack on the Provisional Government in 1917 that fatally weakened the officer corps in advance of the Bolshevik seizure of power As he details the evolution of Russian Imperial Army over that period Reese explains its concrete workings from the conscription and discipline of soldiers to the recruitment and education of officers to the operation of unit economies honor courts and wartime reserves Marshaling newly available materials his book corrects distortions in both Soviet and Western views of the events of 1917 and adds welcome nuance and depth to our understanding of a critical turning point in Russian history **The Story of a Soldier's**
